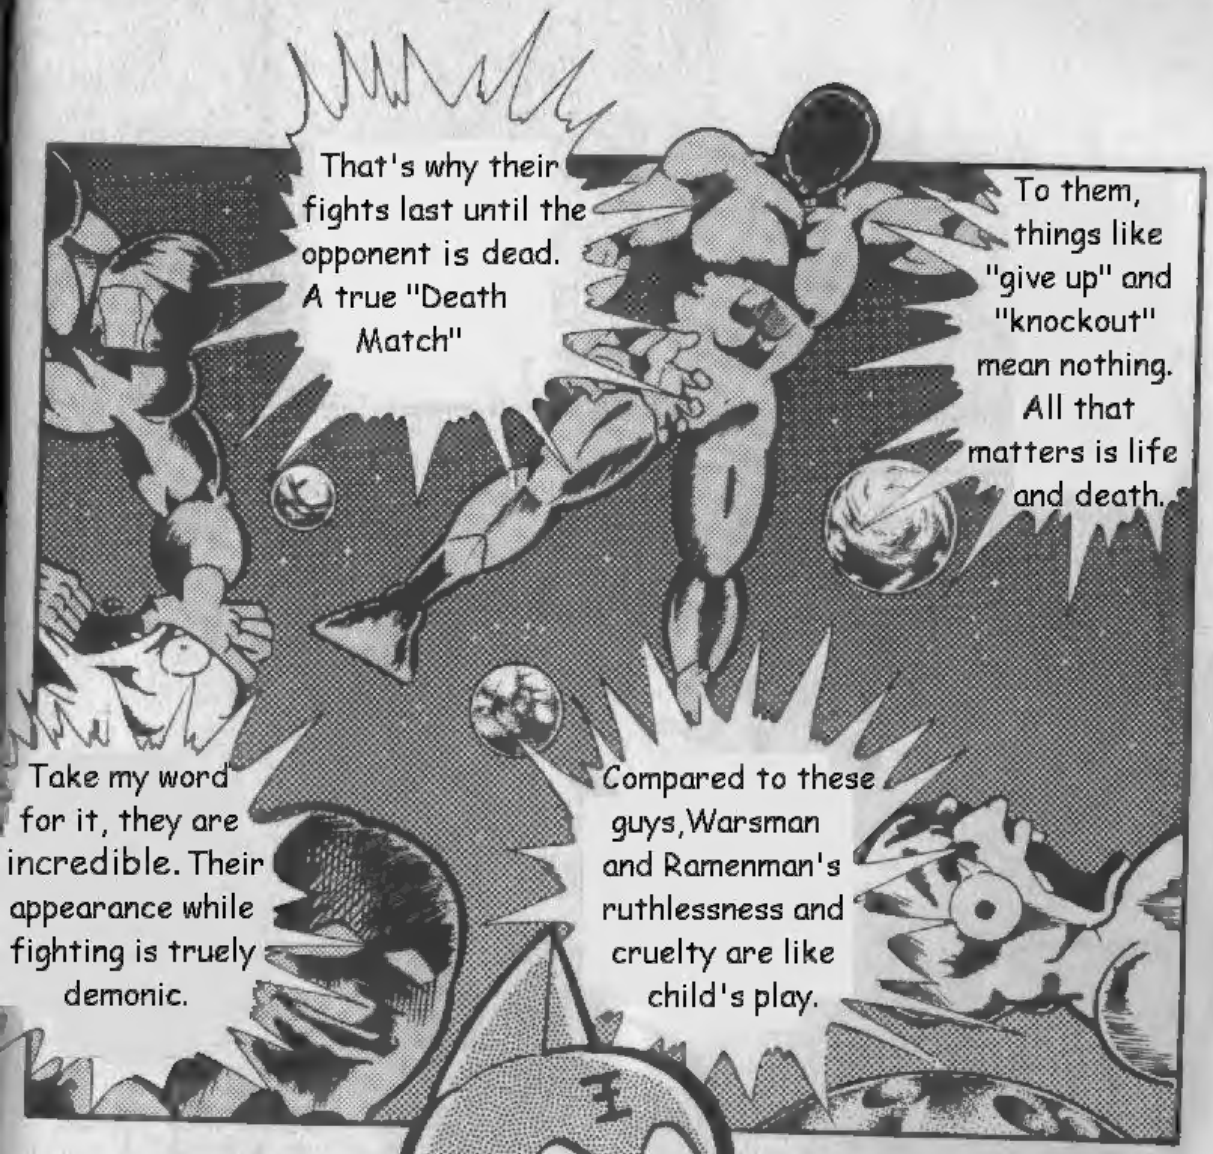
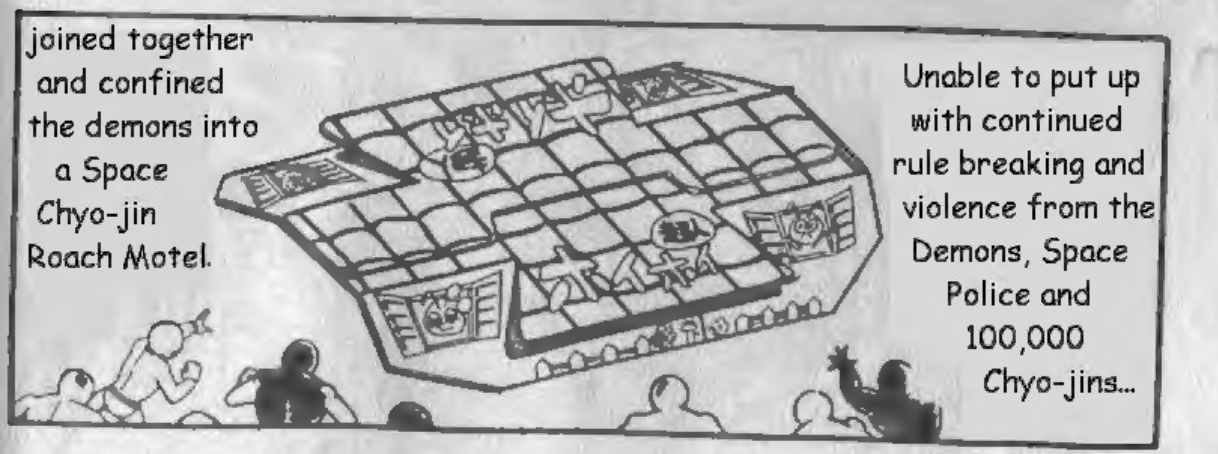
Get a good look, everyone.
Hey, Hey, Hey!!!
TEXAS
Pig!!! Pig!!
There he is, the first ever repeat Chyo-jin Olympic Champion...
TEXAS
TV
V2
and the main attraction at this Victory Parade. It's Kinnikuman
Good thing you controlled yourself, honey.
and a strong urge to choke him would always come over me.
When Suguru was born, I would look at that stupid looking face of his..

What!!!
He's acting like a fool.. Against such weak competition winning is no big deal.
Hehehe... Mayumi-Chan.
Bastard!! Suguru has defeated the strongest Chyo-jins around. You aren't going to acknowledge his ability?
When selecting representatives, the Chyo-jin Olympic Committee banned 7 Chyo-jins because of excessively ruthless fighting techniques.
You didn't think that the participants for this Olympics were all of the strongest Chyo-jins around, did you?
The Seven Devil Chyo-jins!?
We called them, "The Seven Devil Chyo-jins."



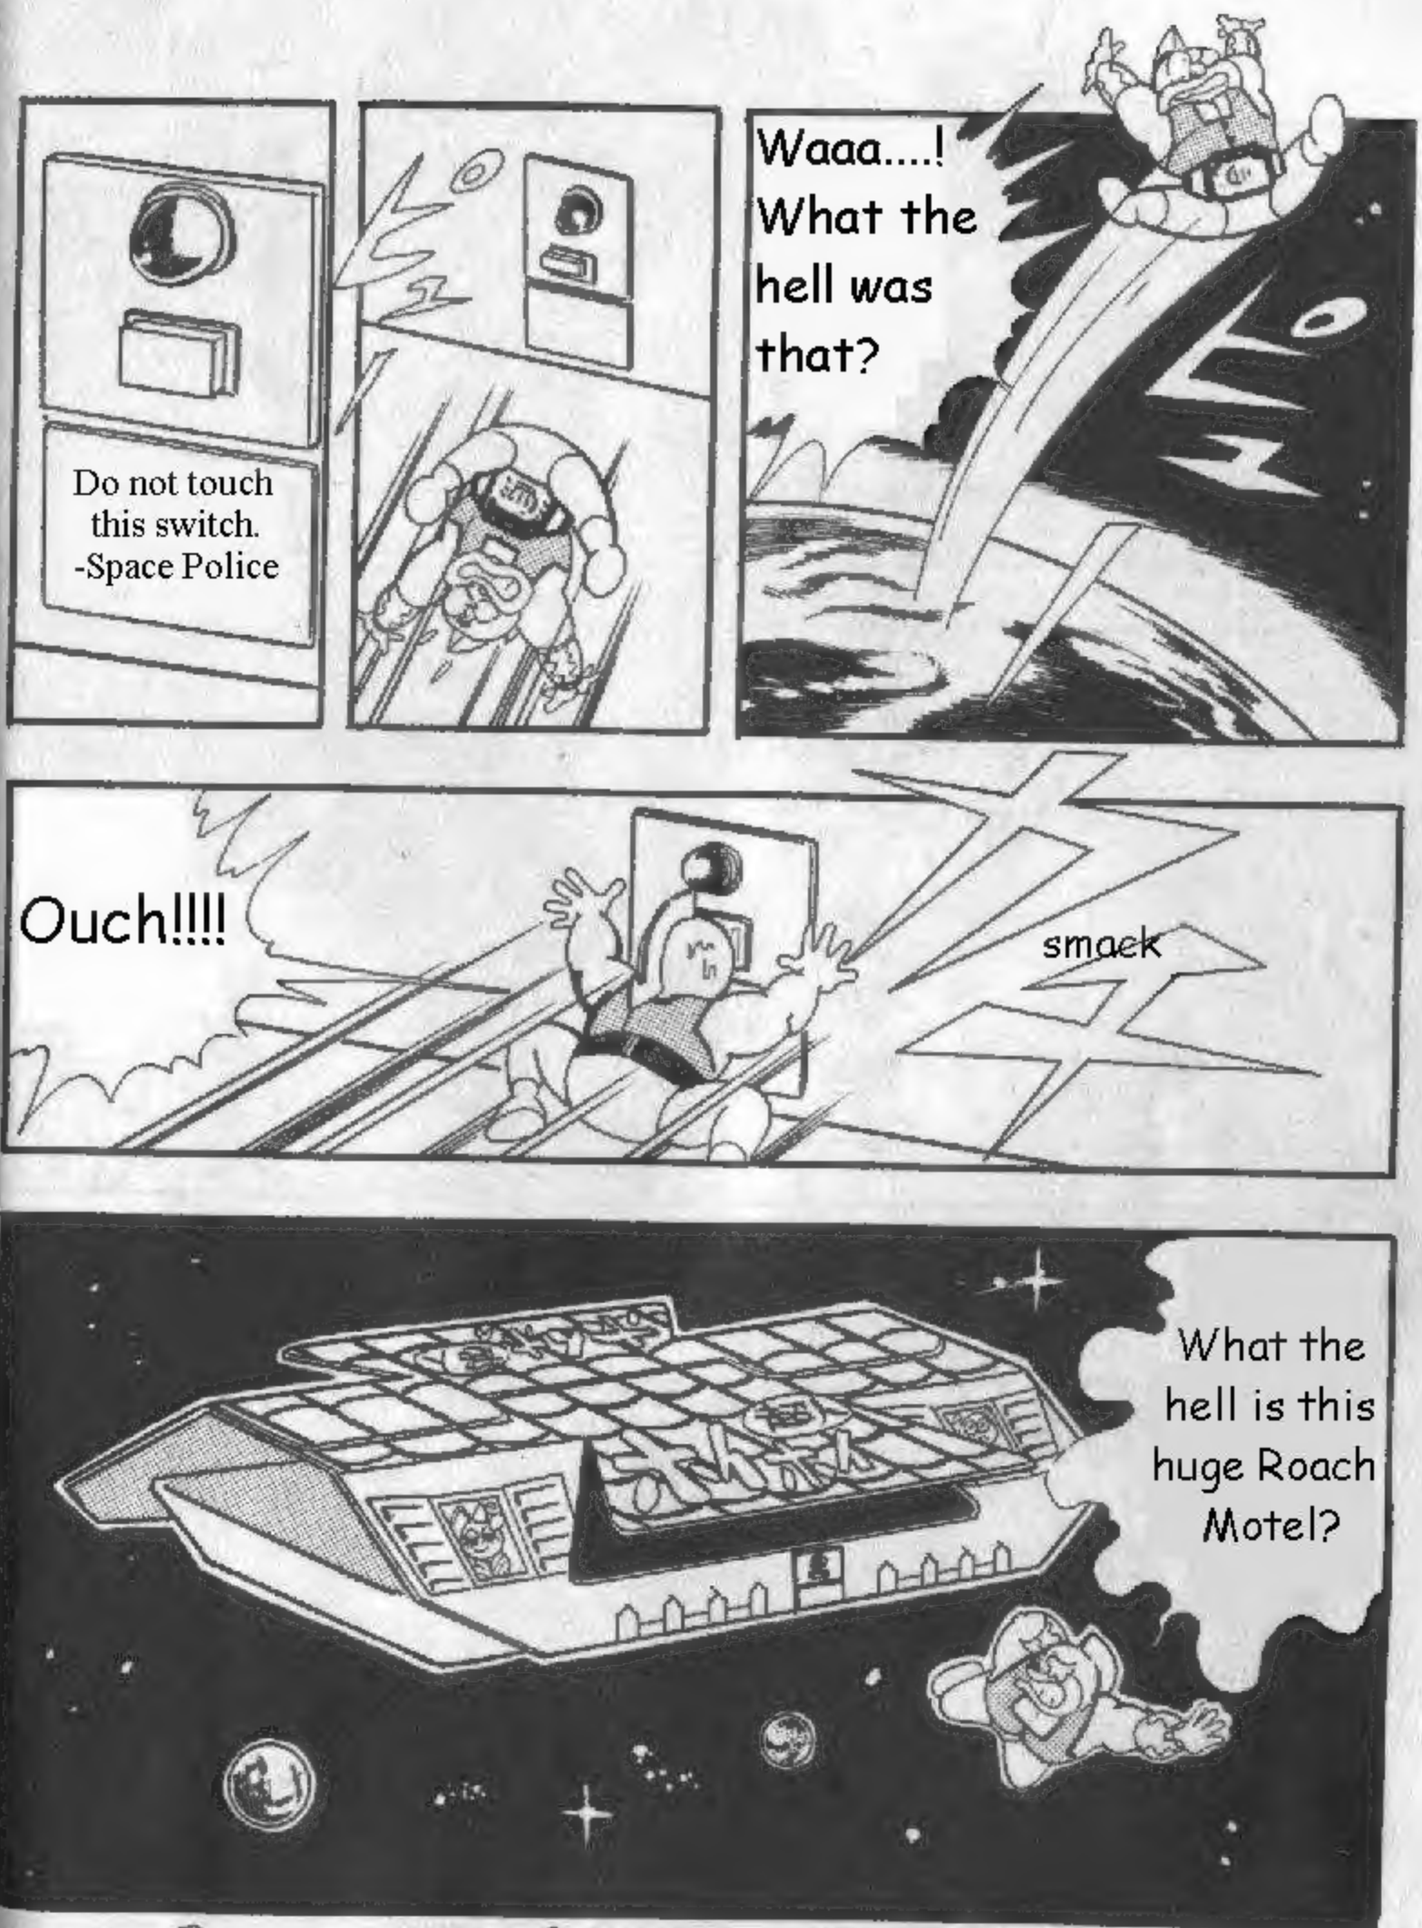
That's why their fights last until the opponent is dead. A true "Death Match"
To them, things like "give up" and "knockout" mean nothing. All that matters is life and death.
Take my word for it, they are incredible. Their appearance while fighting is truely demonic.
Compared to these guys, Warsman and Ramenman's ruthlessness and cruelty are like child's play.

Child's Play!?
What!!?
Ramenman and Warsman's cruelty while fighting is.....

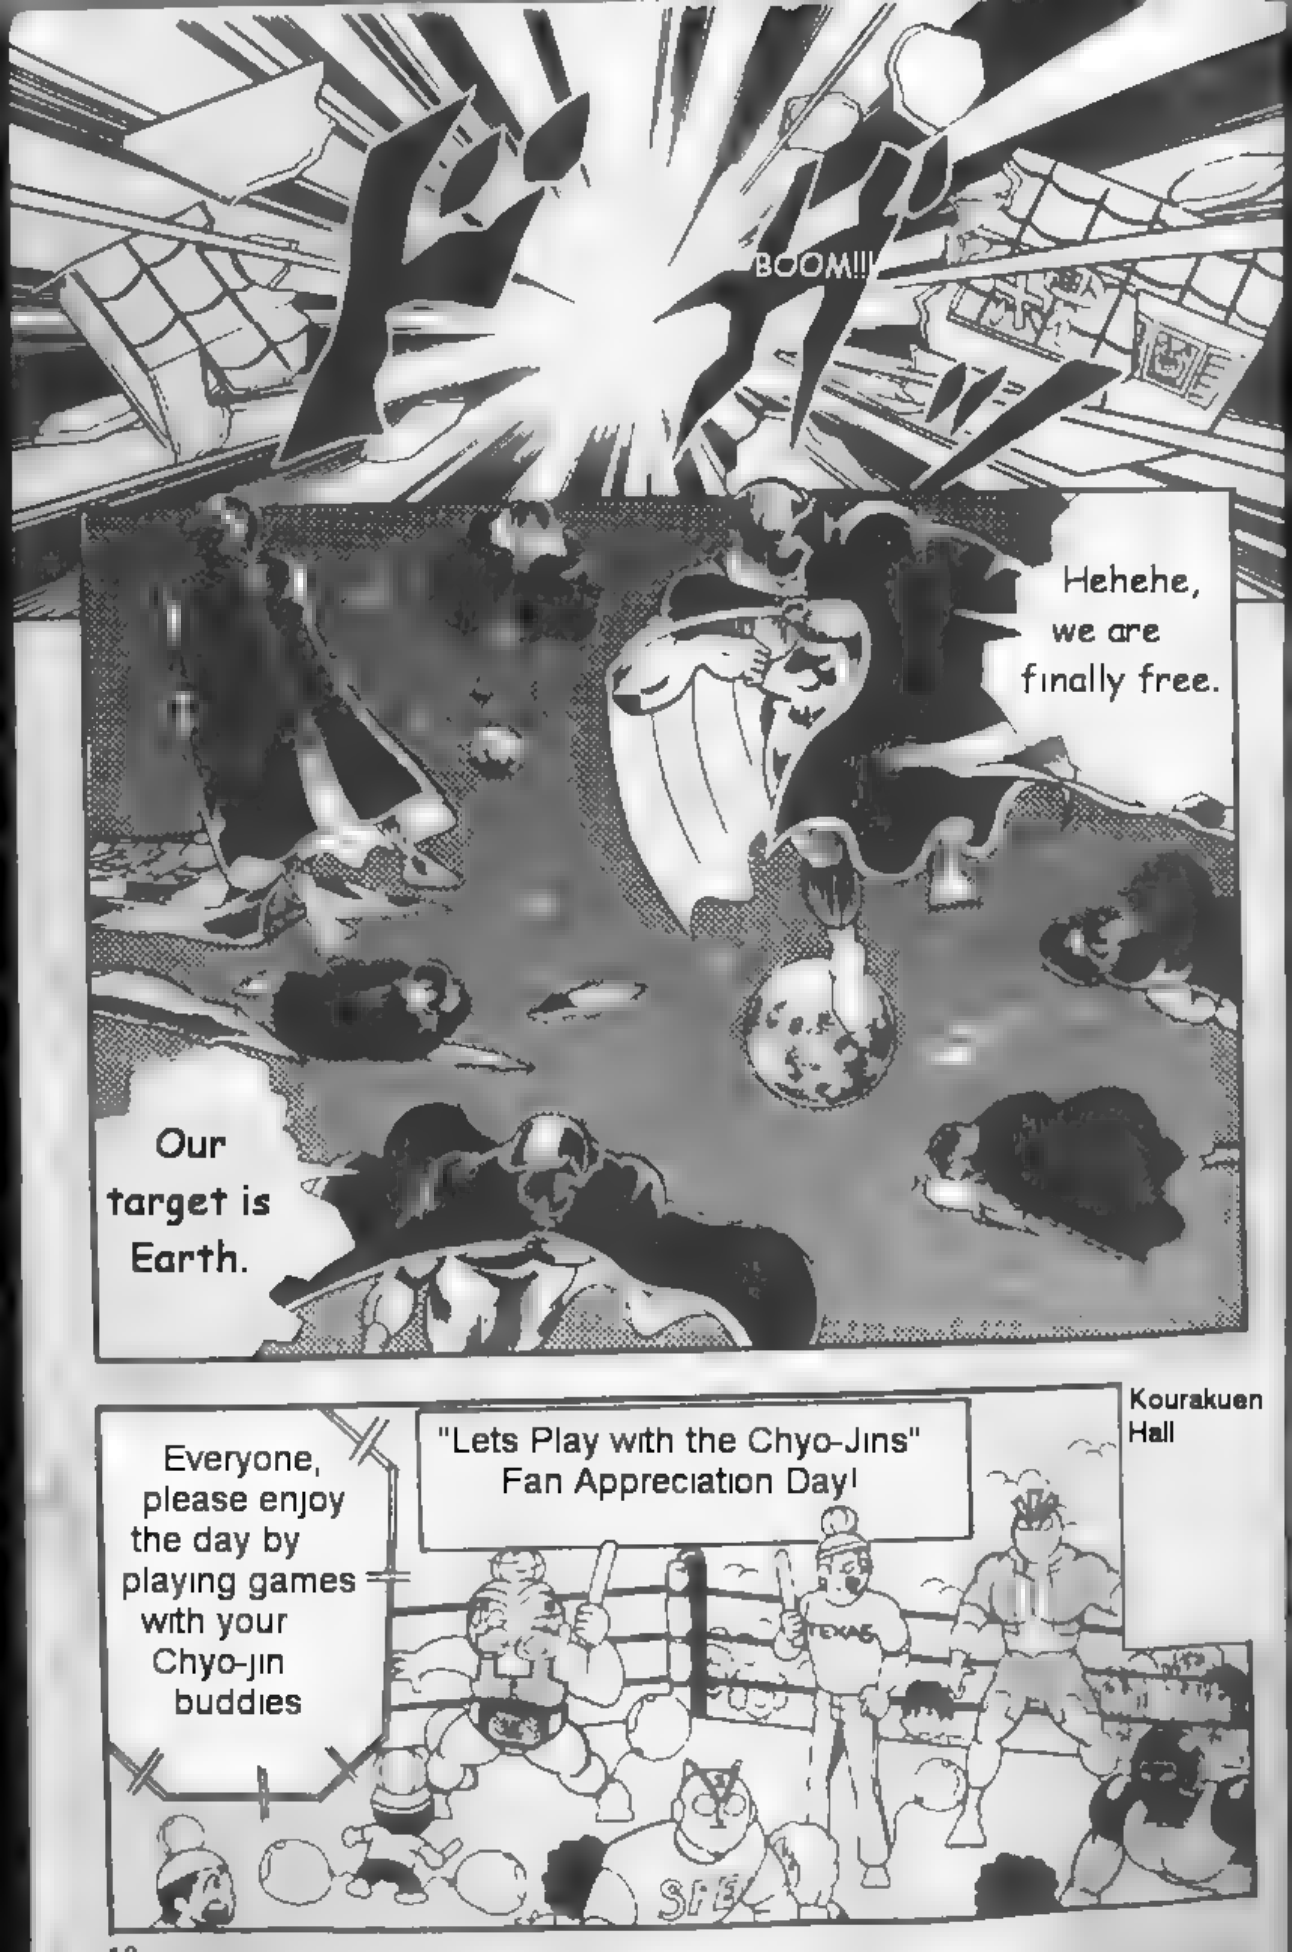


joined together and confined the demons into a Space Chyo-jin Roach Motel.
Unable to put up with continued rule breaking and violence from the Demons, Space Police and 100,000 Chyo-jins...

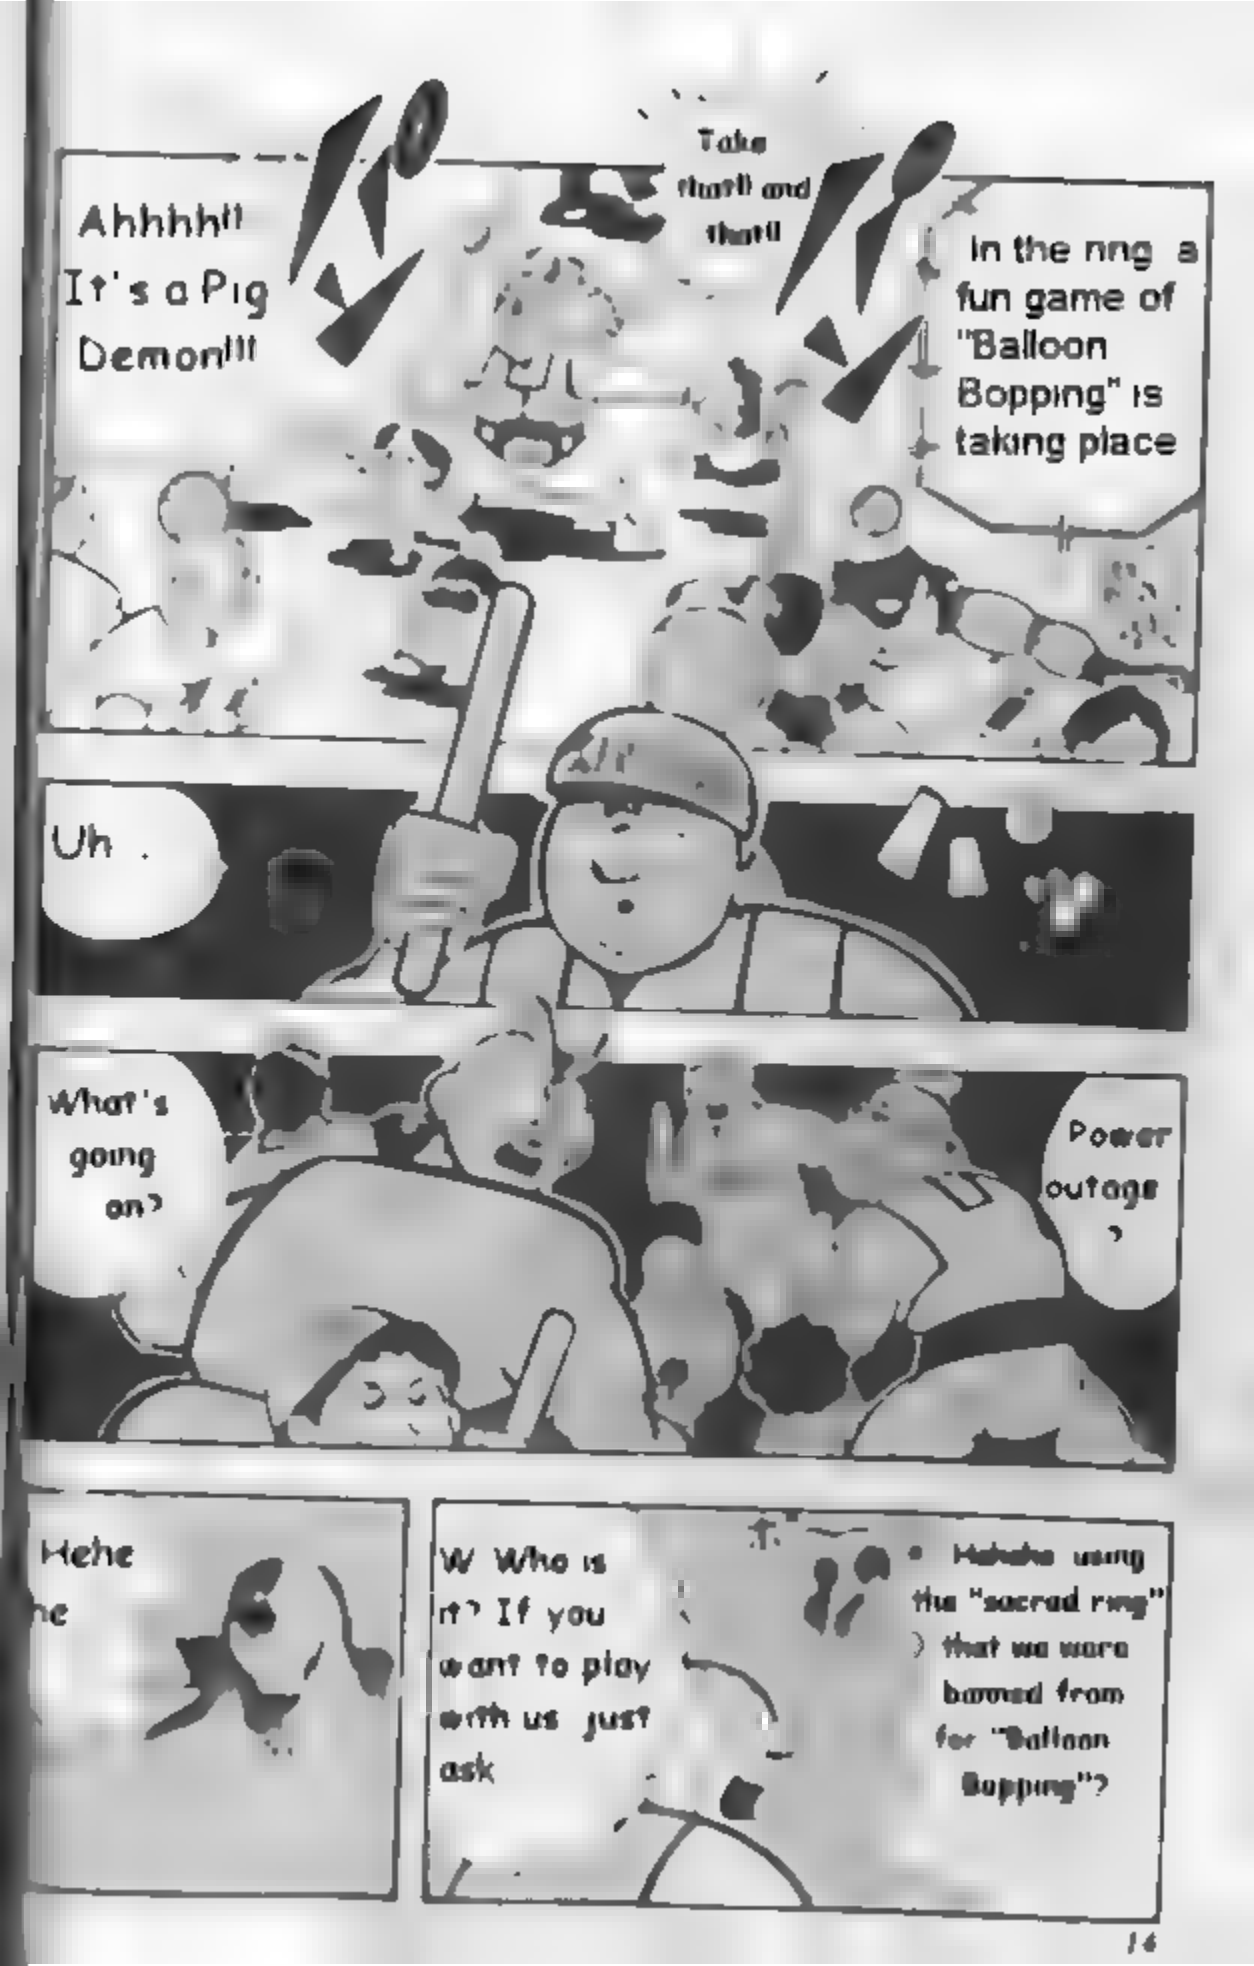
It was then sent out to drift through Space....
no longer return to Earth.
Then that means they can....
Don't scare me like that.
Wait for me!!!
Wow, in the middle of the street Kinnikuman is being lifted in to the air.
.....
Ha... Yaa!!!



Do not touch this switch. -Space Police
Waaa....! What the hell was that?
Ouch!!!!
smack
What the hell is this huge Roach Motel?
Pi!!!!
Pi!!!



BOOM!!!
Hehehe, we are finally free.
Our target is Earth.
Kourakuen Hall
"Lets Play with the Chyo-Jins" Fan Appreciation Day!
Everyone, please enjoy the day by playing games with your Chyo-jin buddies
TEXAS



Ahhhhh!! It's a Pig Demon!!!
Take that!! and that!!
In the ring a fun game of "Balloon Bopping" is taking place
Uh .
What's going on?
Power outage ?
Hehe

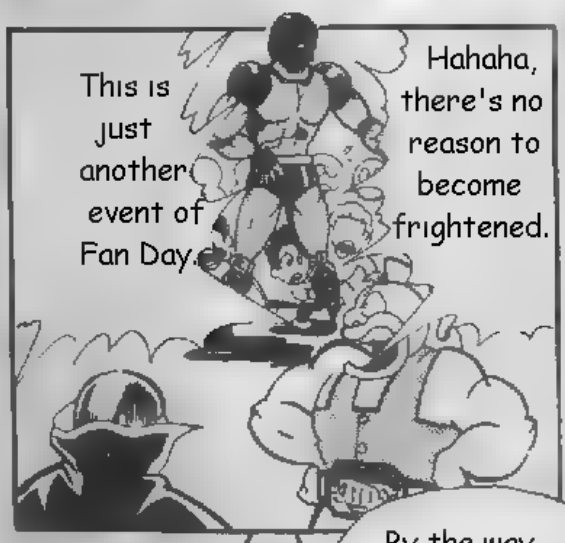
W Who is it? If you want to play with us just ask
Hehehe using the "sacred ring" that we were banned from for "Balloon Bopping"?

Flash
The Seven Devil Chyo-jins....
No...These guys are....

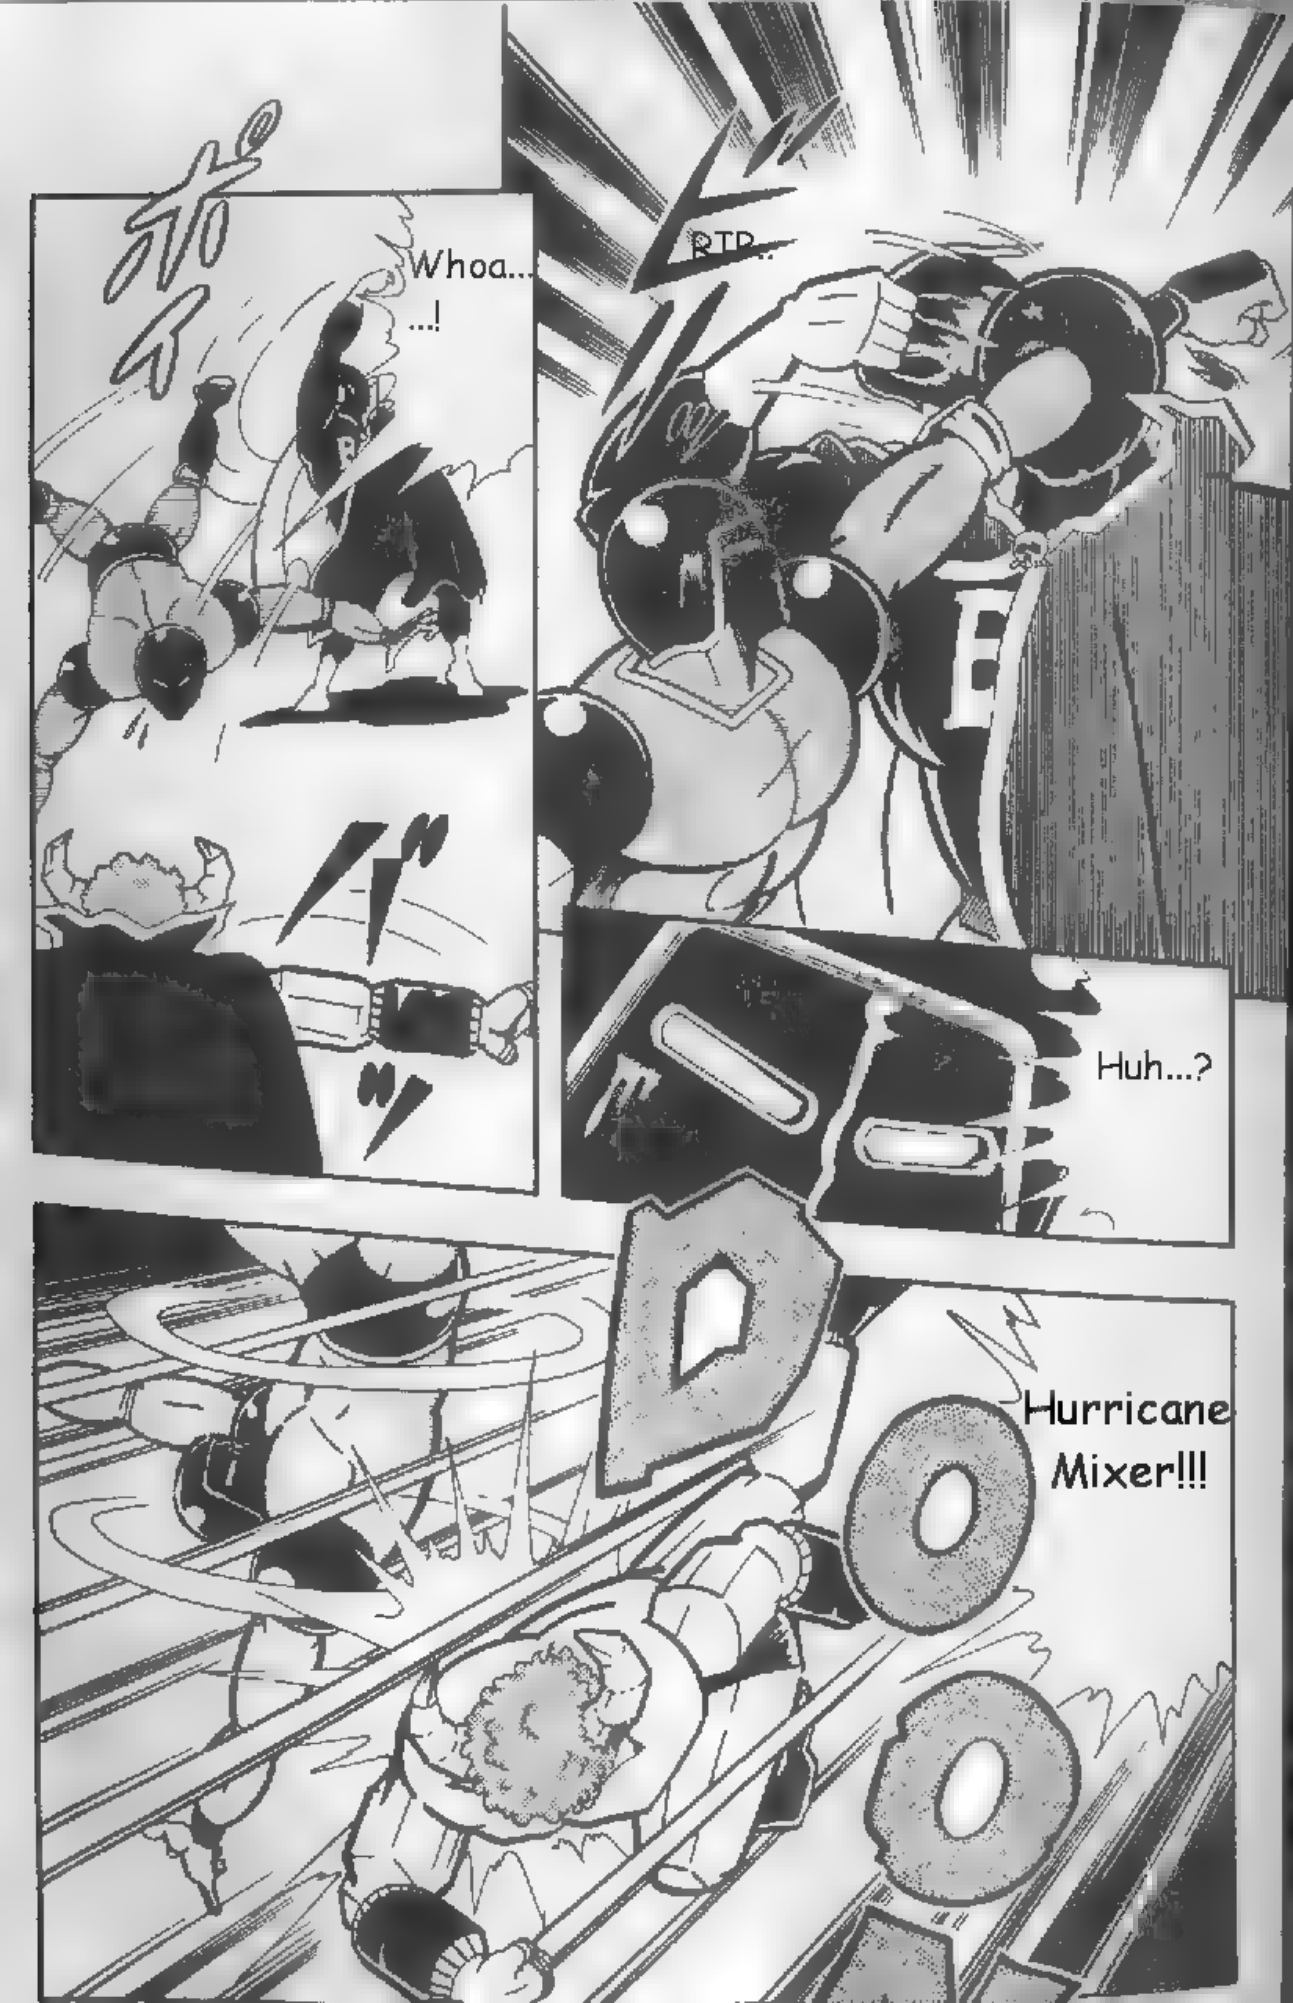


This is just another event of Fan Day.
Hahaha, there's no reason to become frightened.

Ahh hh!!!
What...? The Seven Devil Chyo-jins?

肉
By the way, that was a great entrance. Since that wasn't in the script, you guys surprised us all.

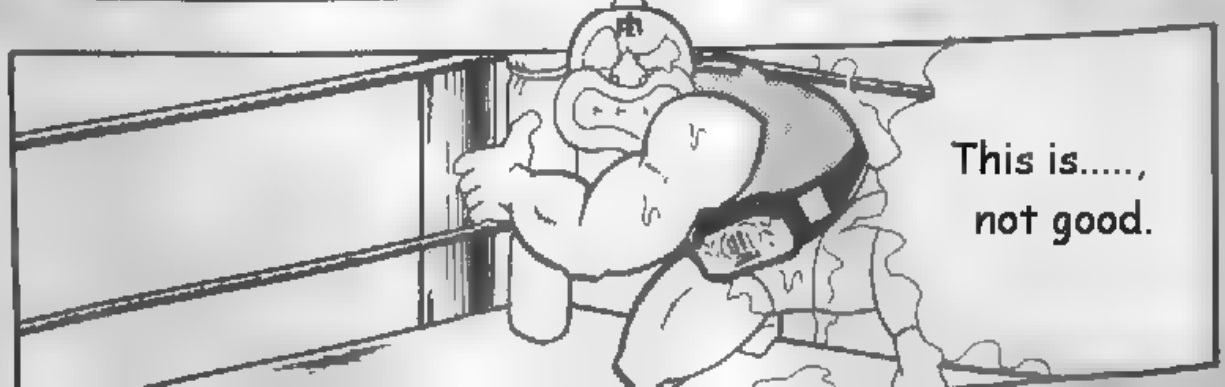
What did you do that for?
Kinnikuman, this isn't a Fan Day event, lets get the children to safety.
I don't think so!!
WHAT!?



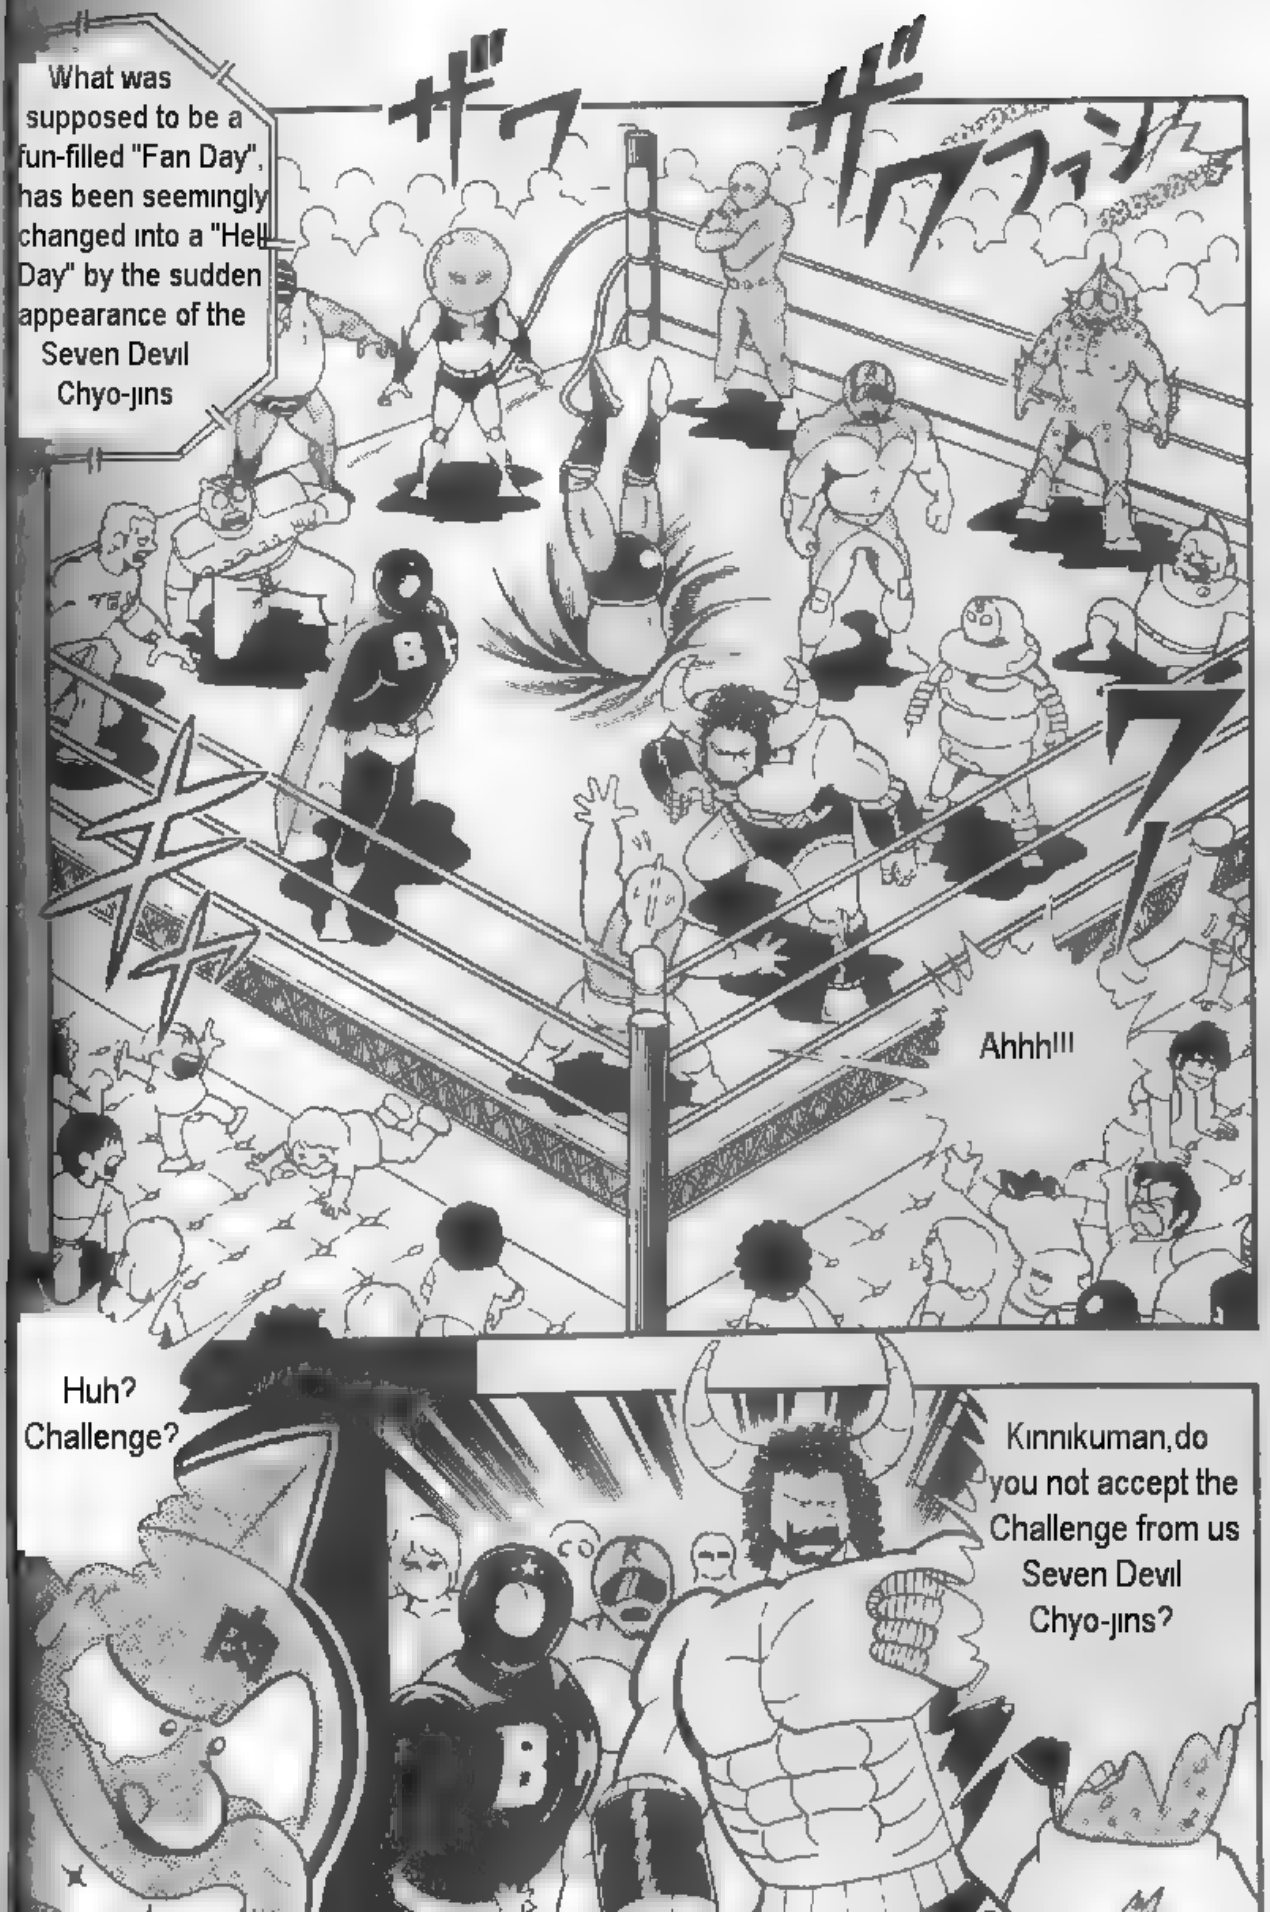
Whoa...
...!
RIP...
Huh...?
Hurricane Mixer!!!

BAAAN
Ahhh..
.....!!
Ohhh, The Chyo-jin Olympic Runner-up has been so easily
Wa.. Warsman!!
Who has brought you guys back to Earth?
Y..Yes, Sir?
This is directed at Kinnikuman.

We cannot allow someone to call themself "Champion" without defeating us.
The Seven of us demand to Challenge Chyo-jin Olympic Champion Kinnikuman.



This is....., not good.



What was supposed to be a fun-filled "Fan Day", has been seemingly changed into a "Hell Day" by the sudden appearance of the Seven Devil Chyo-jins

Ahhh!!!
Huh? Challenge?
Kinnikuman, do you not accept the Challenge from us Seven Devil Chyo-jins?

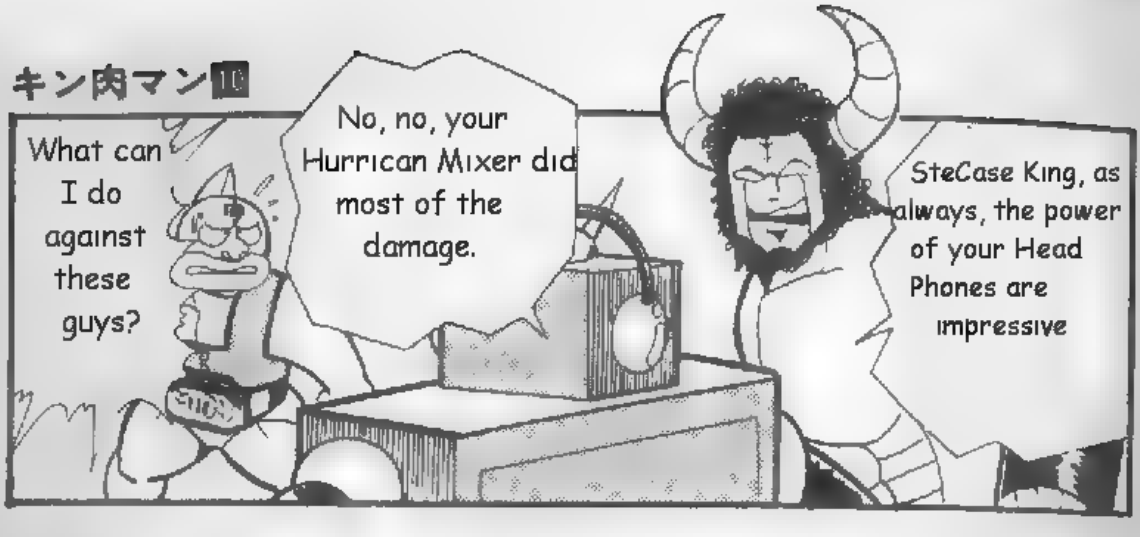
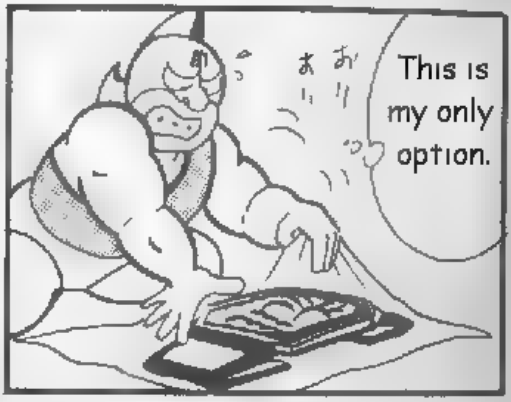
Huh? His Ear Drum is broken and his Sensory System has been completely destroyed
W...Warsman!!!
Ahh!!!

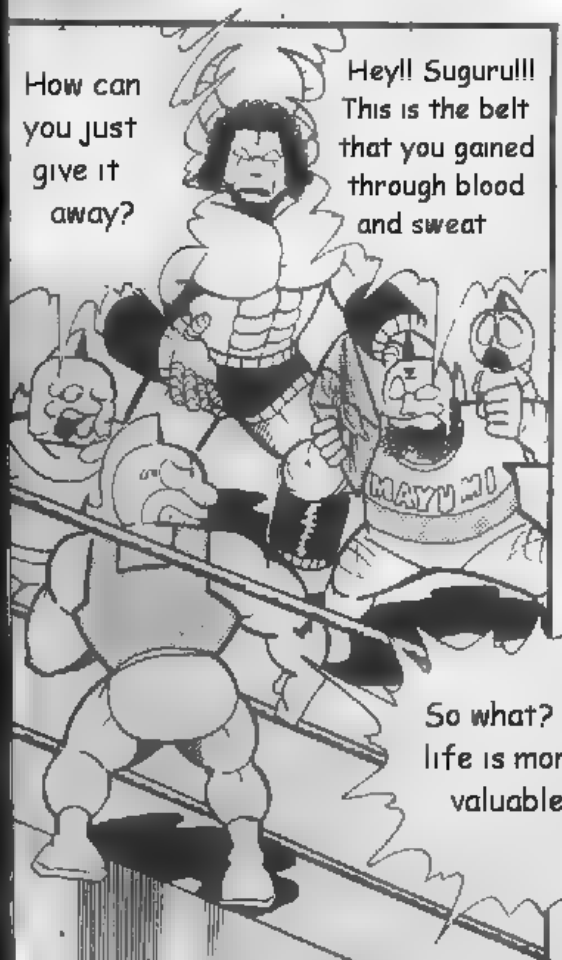


What can I do against these guys?
No, no, your Hurrican Mixer did most of the damage.
SteCase King, as always, the power of your Head Phones are impressive

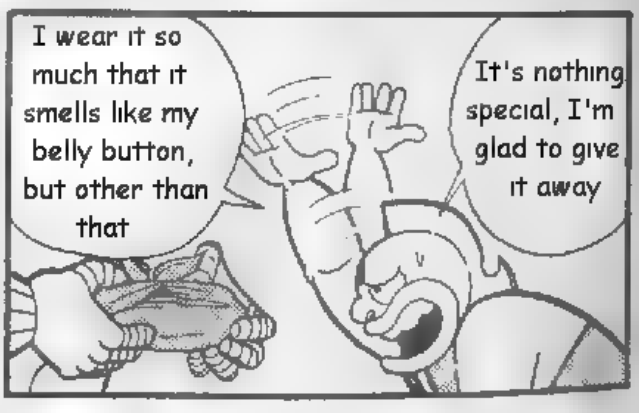
Ummm This was given to me and is unimpressive but would you kindly accept it as a



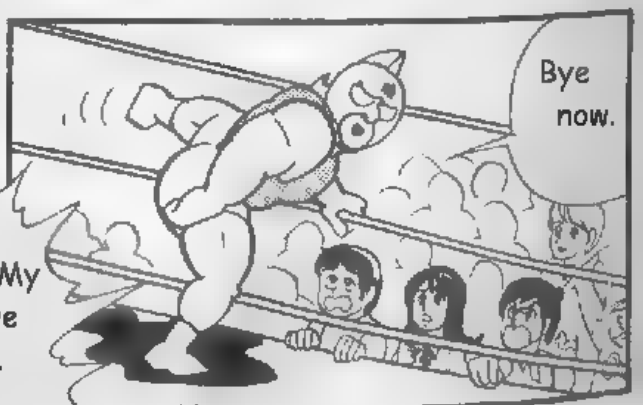
This is my only option.



How can you just give it away?
Hey!! Suguru!!! This is the belt that you gained through blood and sweat
So what? My life is more valuable.

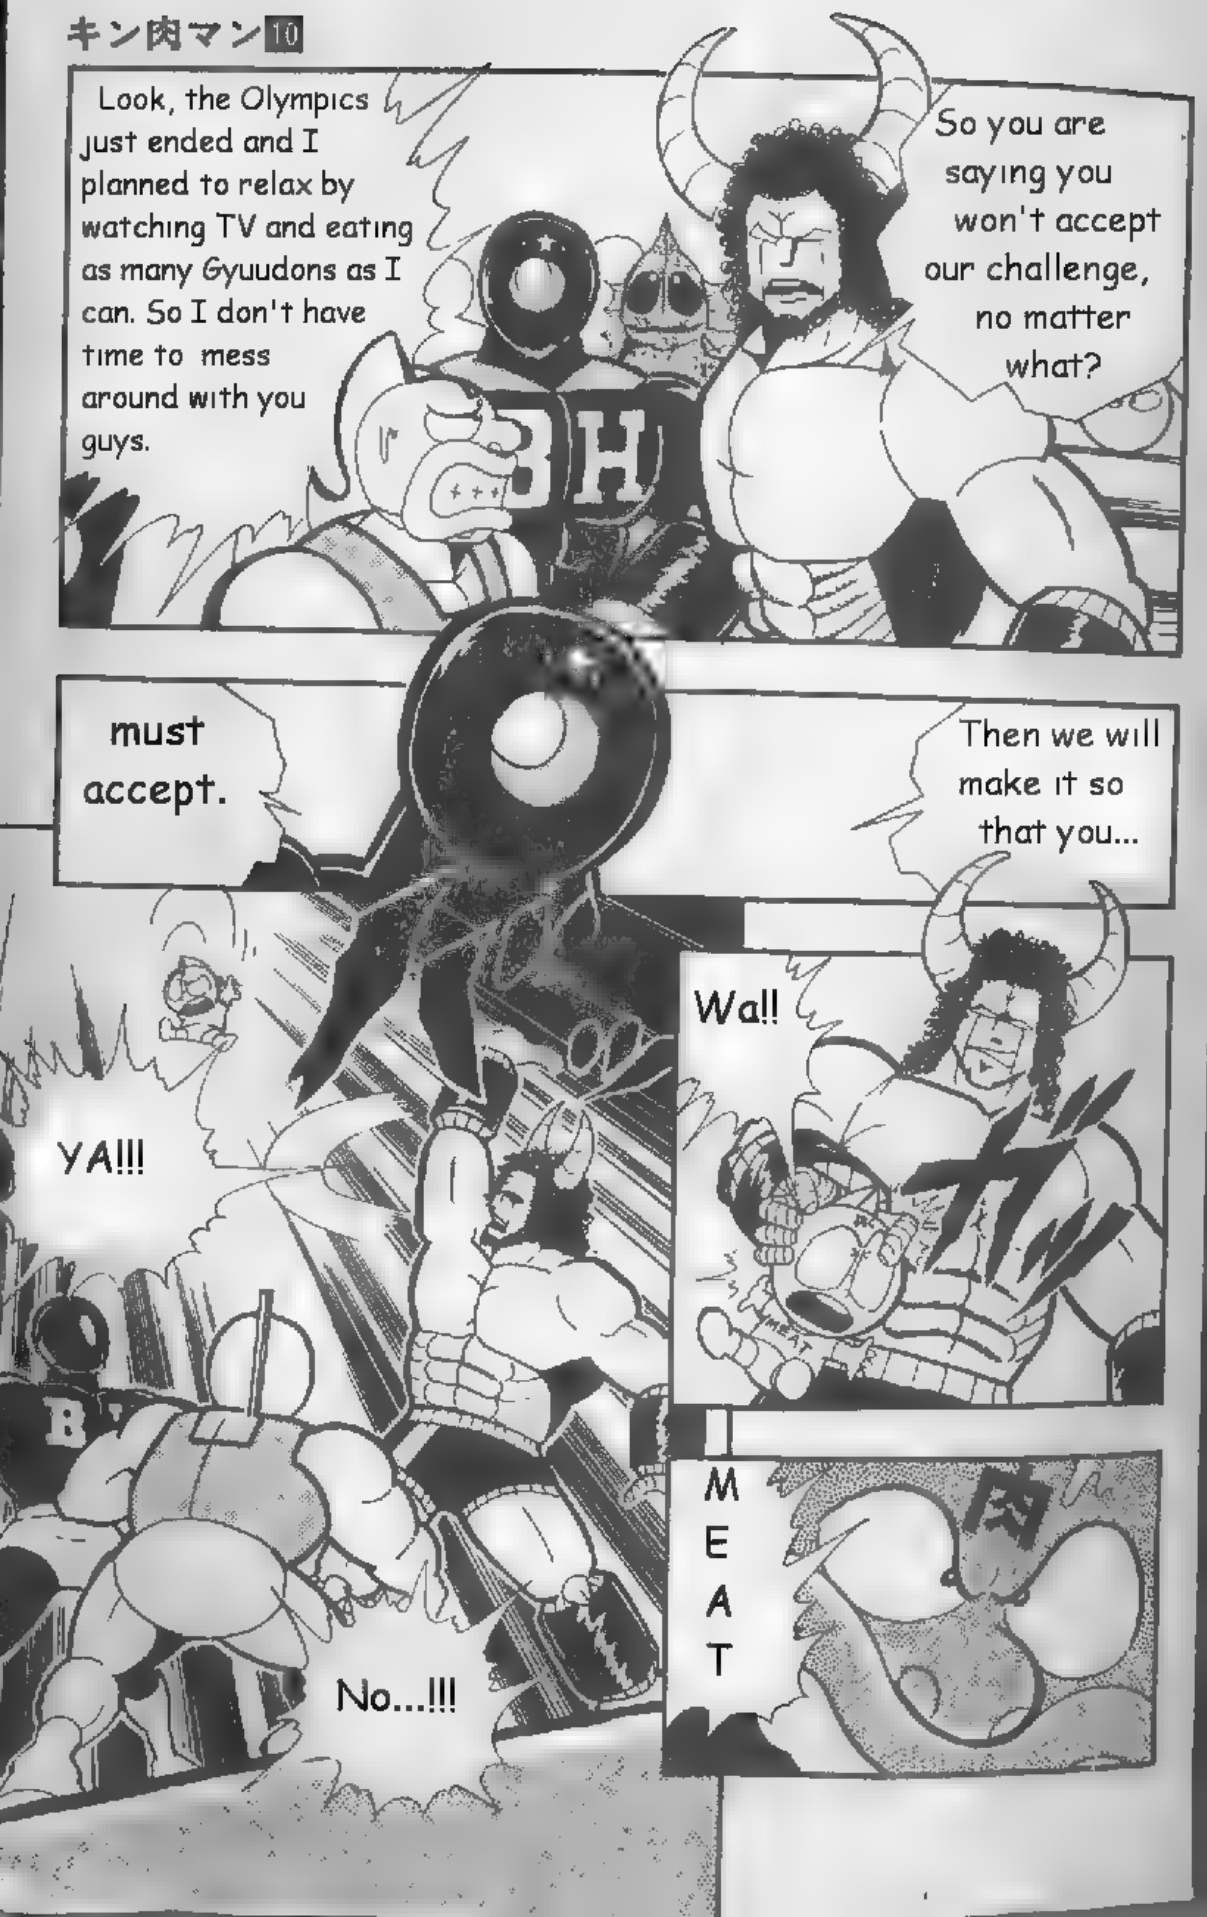


I wear it so much that it smells like my belly button, but other than that
It's nothing special, I'm glad to give it away



Bye now.

We can't allow the likes of you to challenge the Chyo-jin Olympic Champion.
Listen carefully Devil Chyo-jins. You are evil Chyo-jins who have been banished from Earth.
A True Champion will accept any challenge, no matter who it's from!
Huh?
Accept their Challenge!!
will you still refuse?
Even with the Fans telling you to accept....
I'm going to get my belt back and go home.
You going to do it, Suguru?



Look, the Olympics just ended and I planned to relax by watching TV and eating as many Gyuudons as I can. So I don't have time to mess around with you guys.
So you are saying you won't accept our challenge, no matter what?
must accept.
Then we will make it so that you...

We will do anything to achieve our goals.

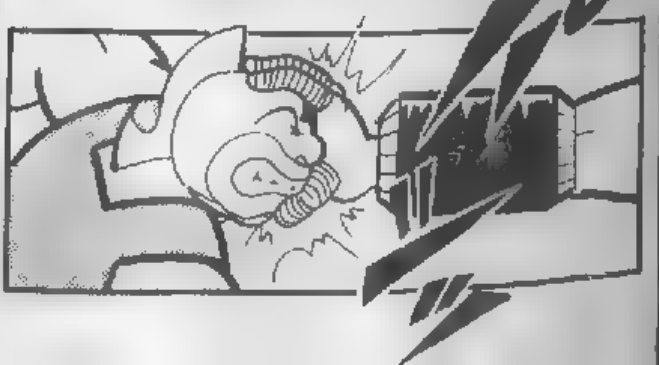
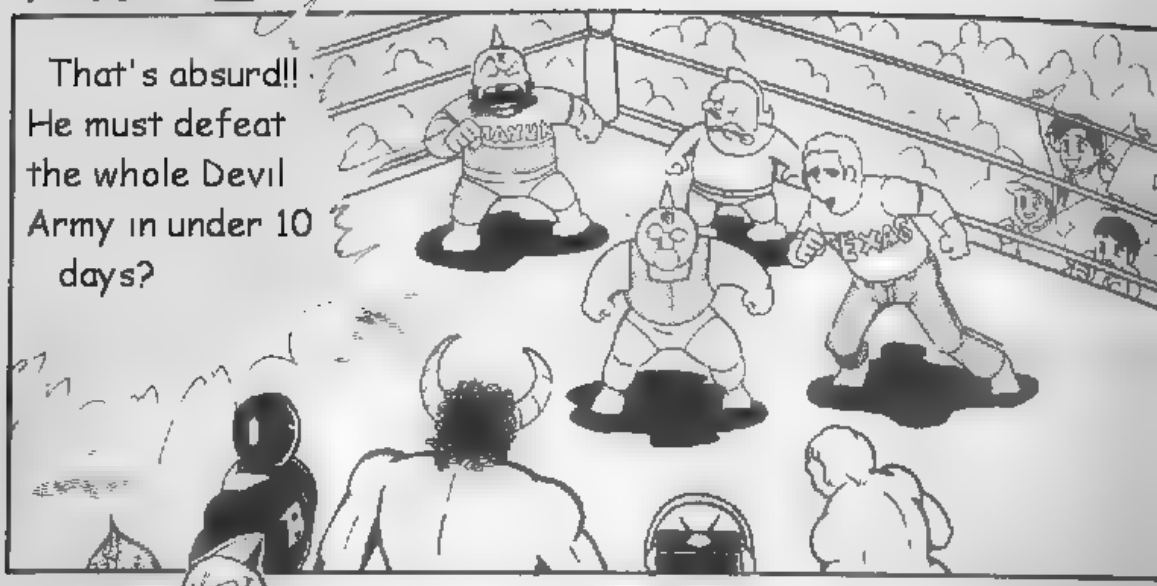
he will come back to life.
Don't worry, if you put all the pieces back together...
What?

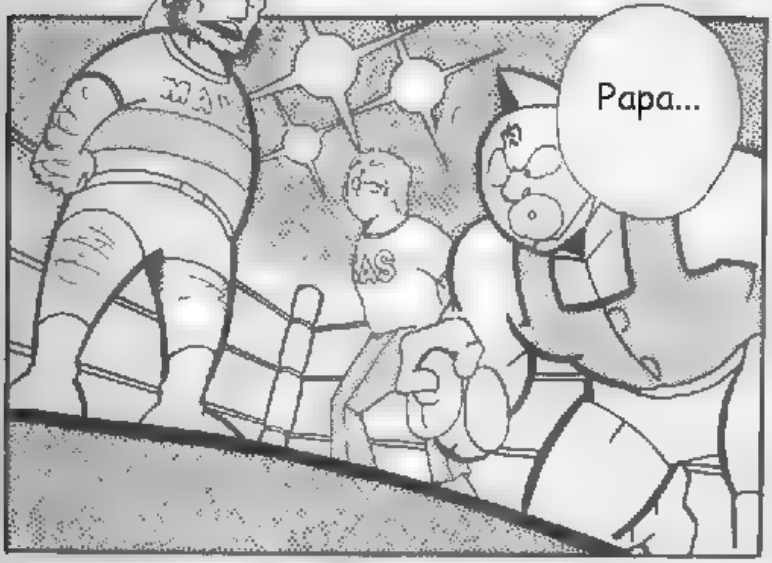
Bastard!!! How could you?



If you want Meat back, all you have to do is fight and defeat all 7 of us in the next 10 days.
We will be taking Meat hostage, but we have divided his body into 7 parts. Each of us will hold one part.
What!?
So, unless all of them are defeated, Meat's body won't be returned.
Once you defeat each of us you will get back each piece of Meat's body.
You can't go beyond the 10 day period either.



That's absurd!! He must defeat the whole Devil Army in under 10 days?



Papa...

10 days...

Meat is like a brother to me!!

I know it's absurd, but I can't turn my back on Meat.

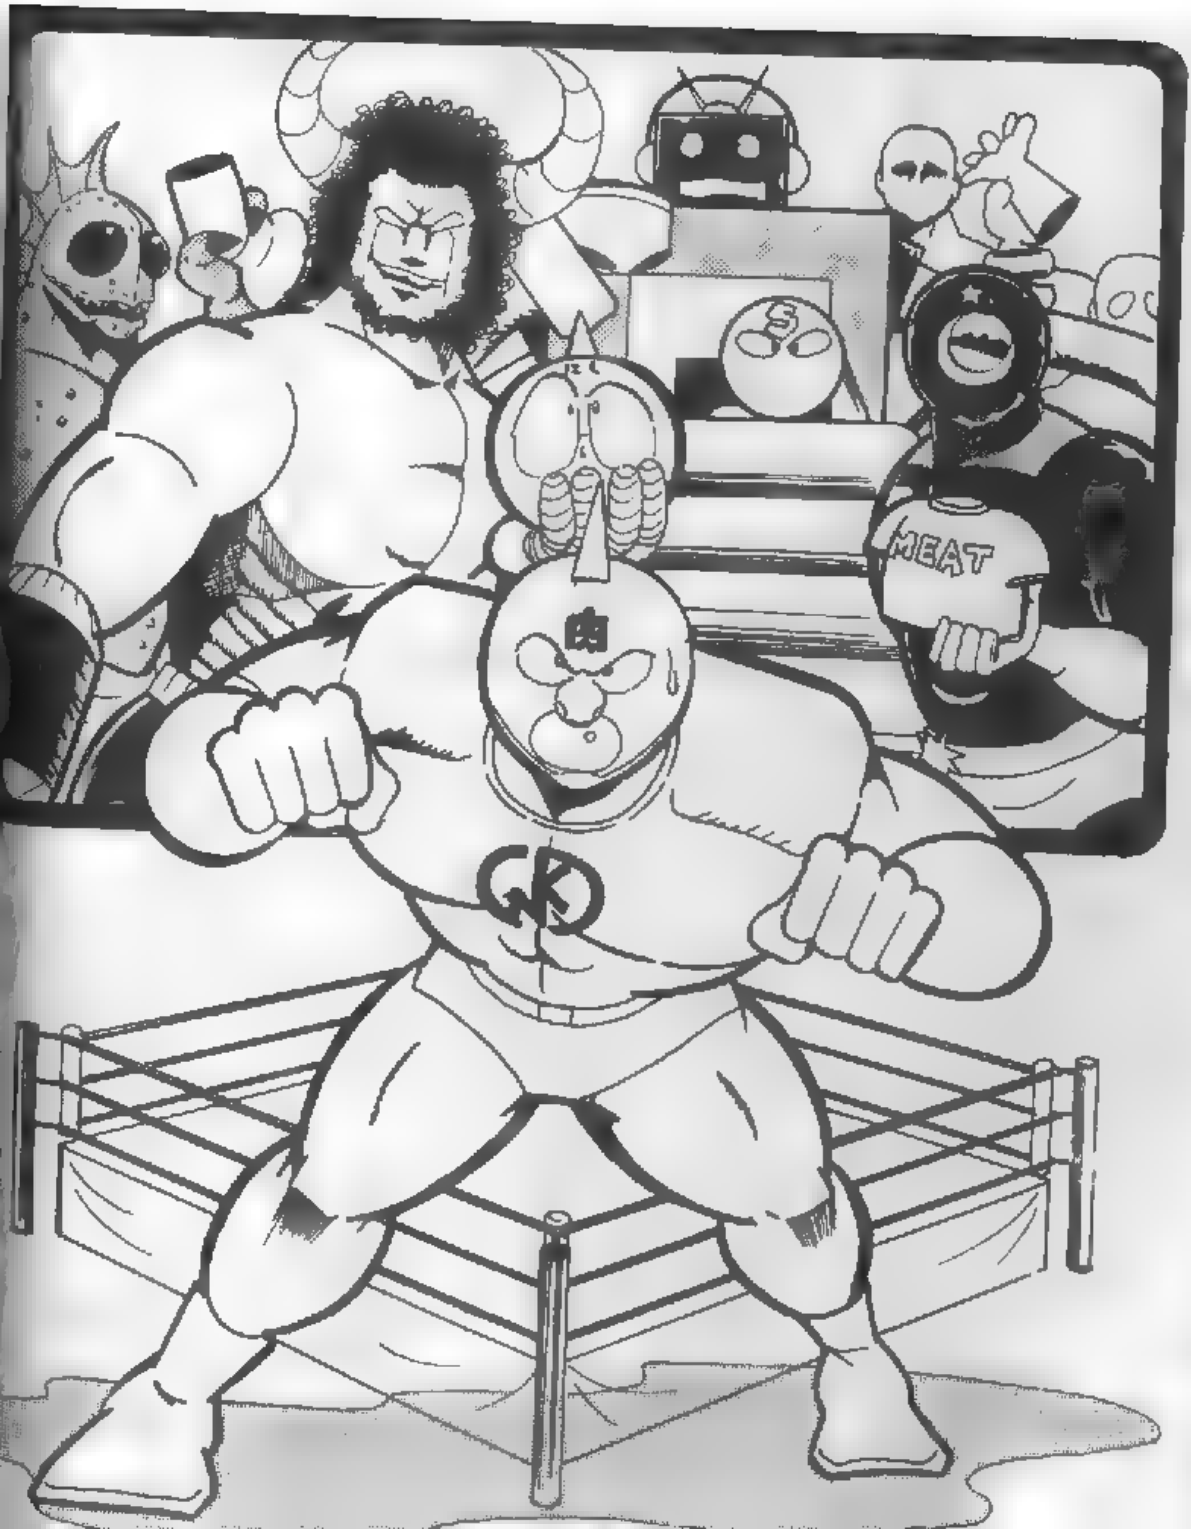
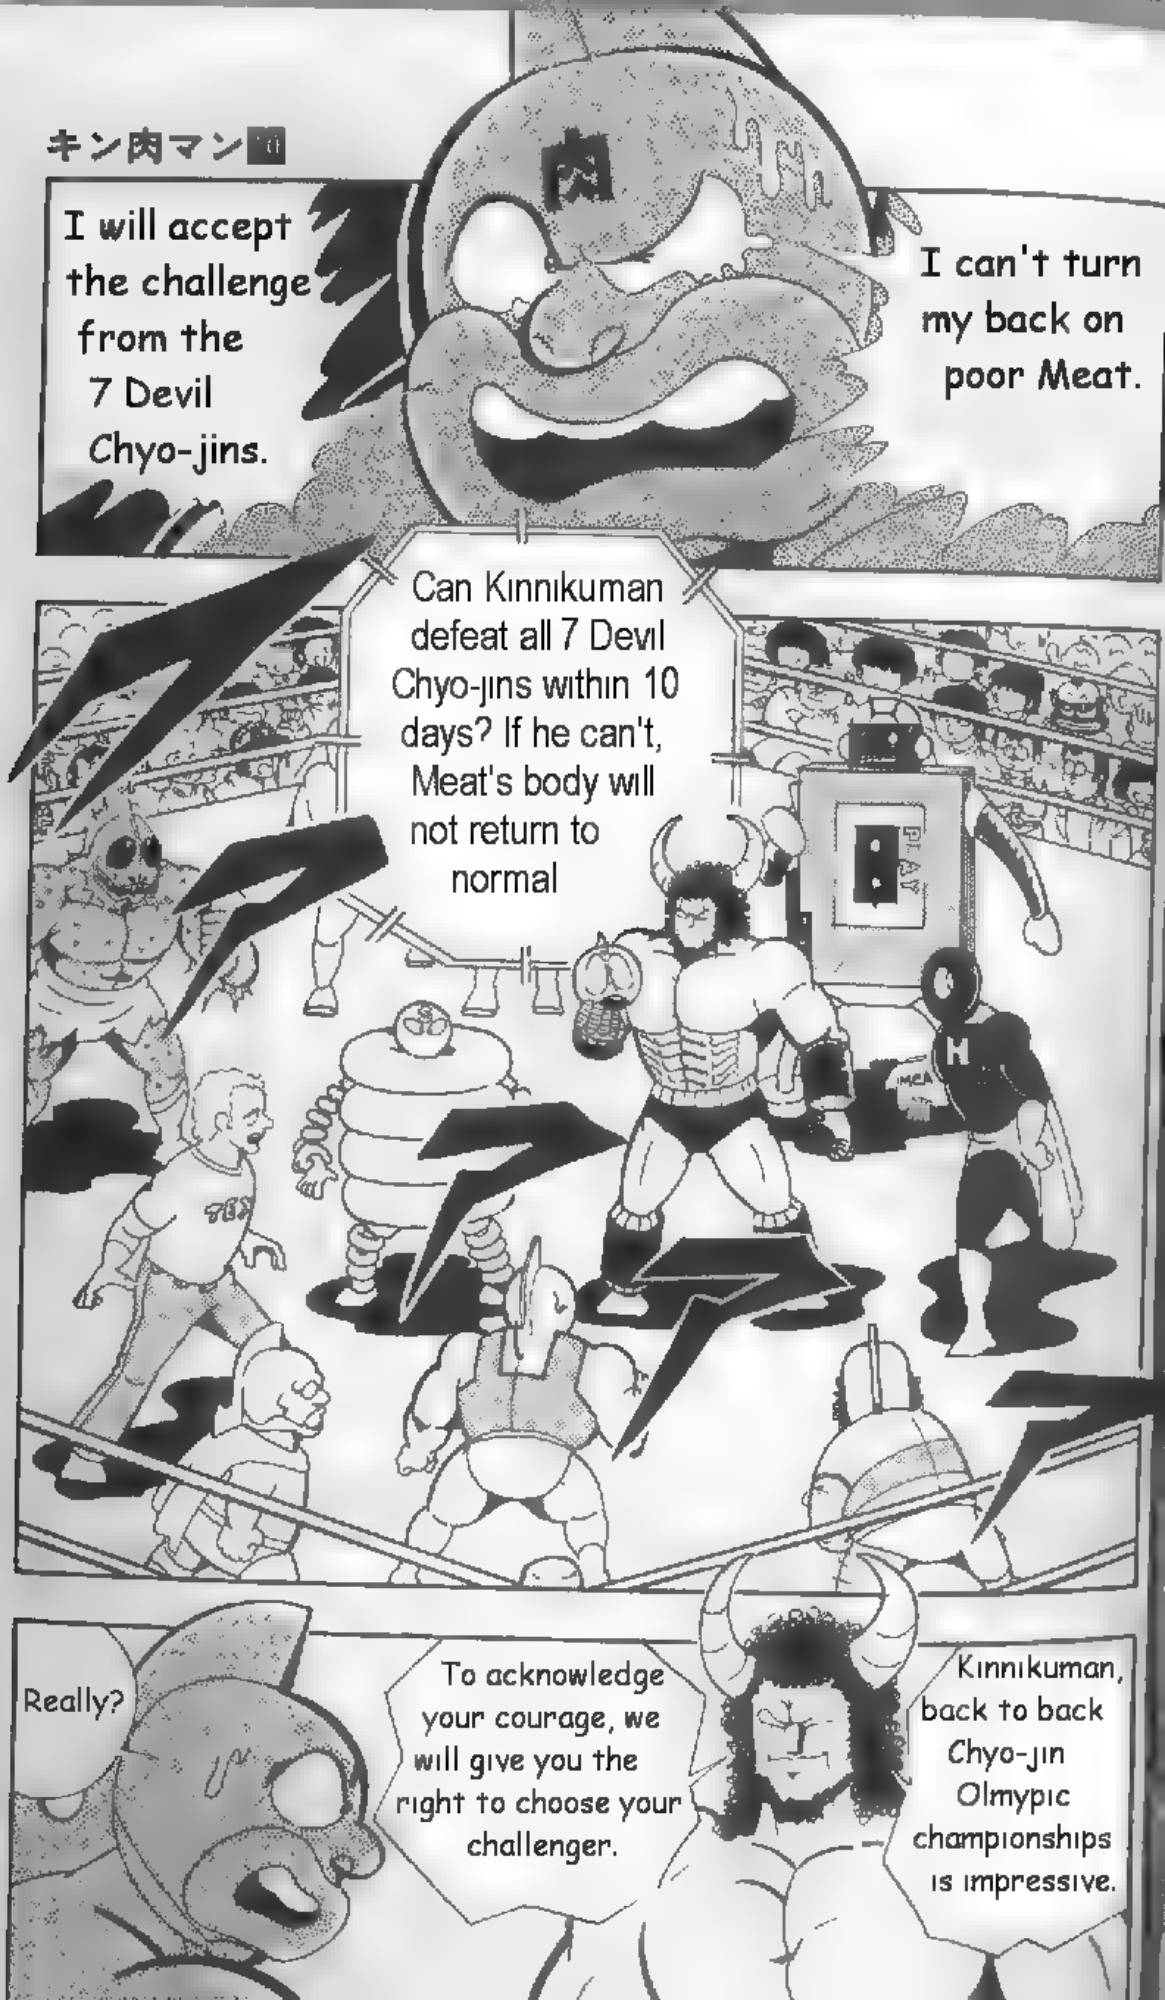
Battle under Tokyo Tower





I will accept the challenge from the 7 Devil Chyo-jins.
I can't turn my back on poor Meat.
Can Kinnikuman defeat all 7 Devil Chyo-jins within 10 days? If he can't, Meat's body will not return to normal
Really?
To acknowledge your courage, we will give you the right to choose your challenger.
Kinnikuman, back to back Chyo-jin Olmypic championships is impressive.

In order to save energy, I must pick a weak guy as my first opponent.
Kinnikuman, choose cautiously.

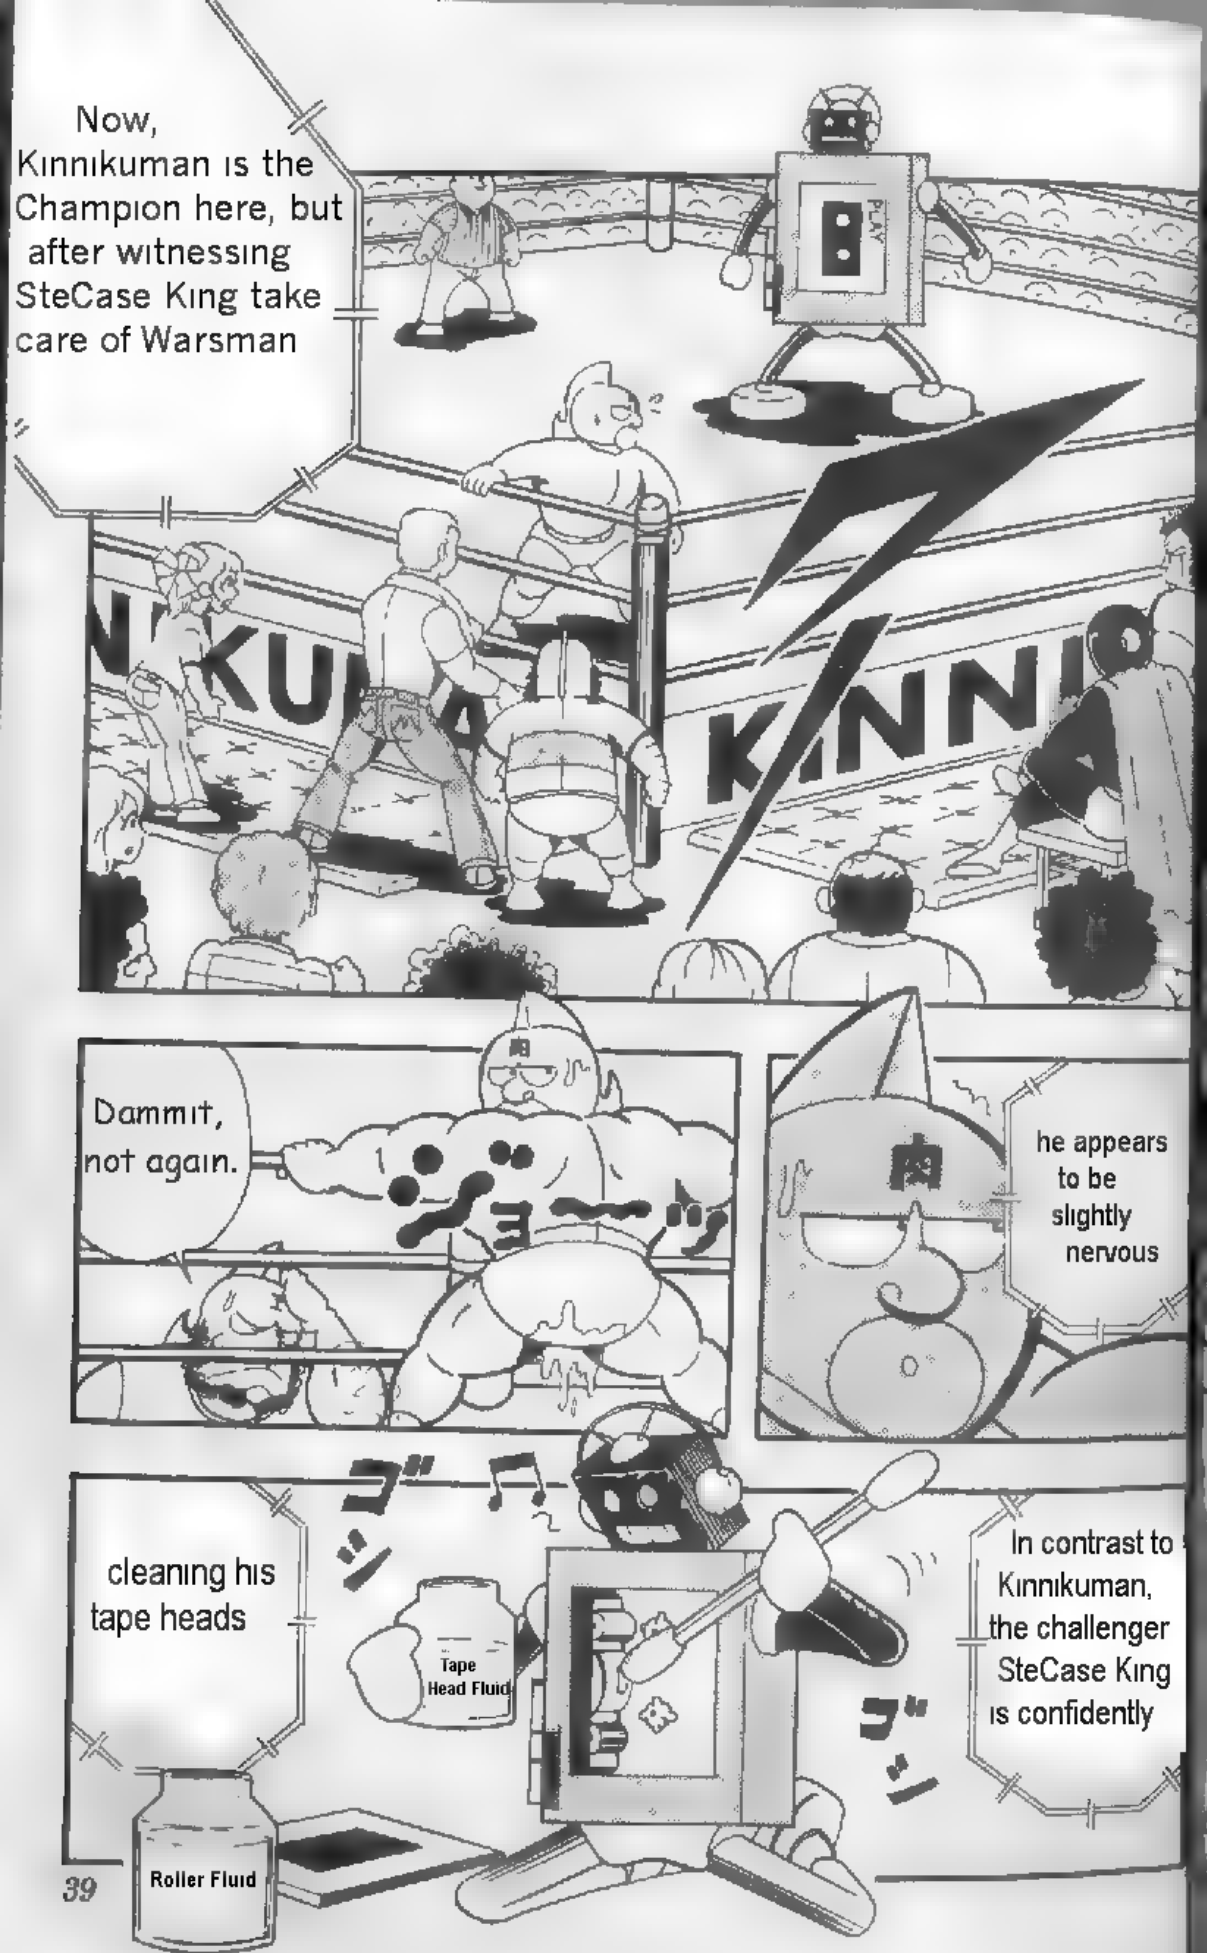
We are here under the Tokyo Tower, where in a ring set up specially for this event, the match between Kinnikuman and SteCase King is to take place
VS
KINNIKUMAN
Hmm, that part is a mystery even to me.
But Tazahama-san, why do you think SteCase King would choose to have the match under the Tokyo Tower?



Now, Kinnikuman is the Champion here, but after witnessing SteCase King take care of Warsman
Dammit, not again.

Kinnikuman has successfully dodged it again!!

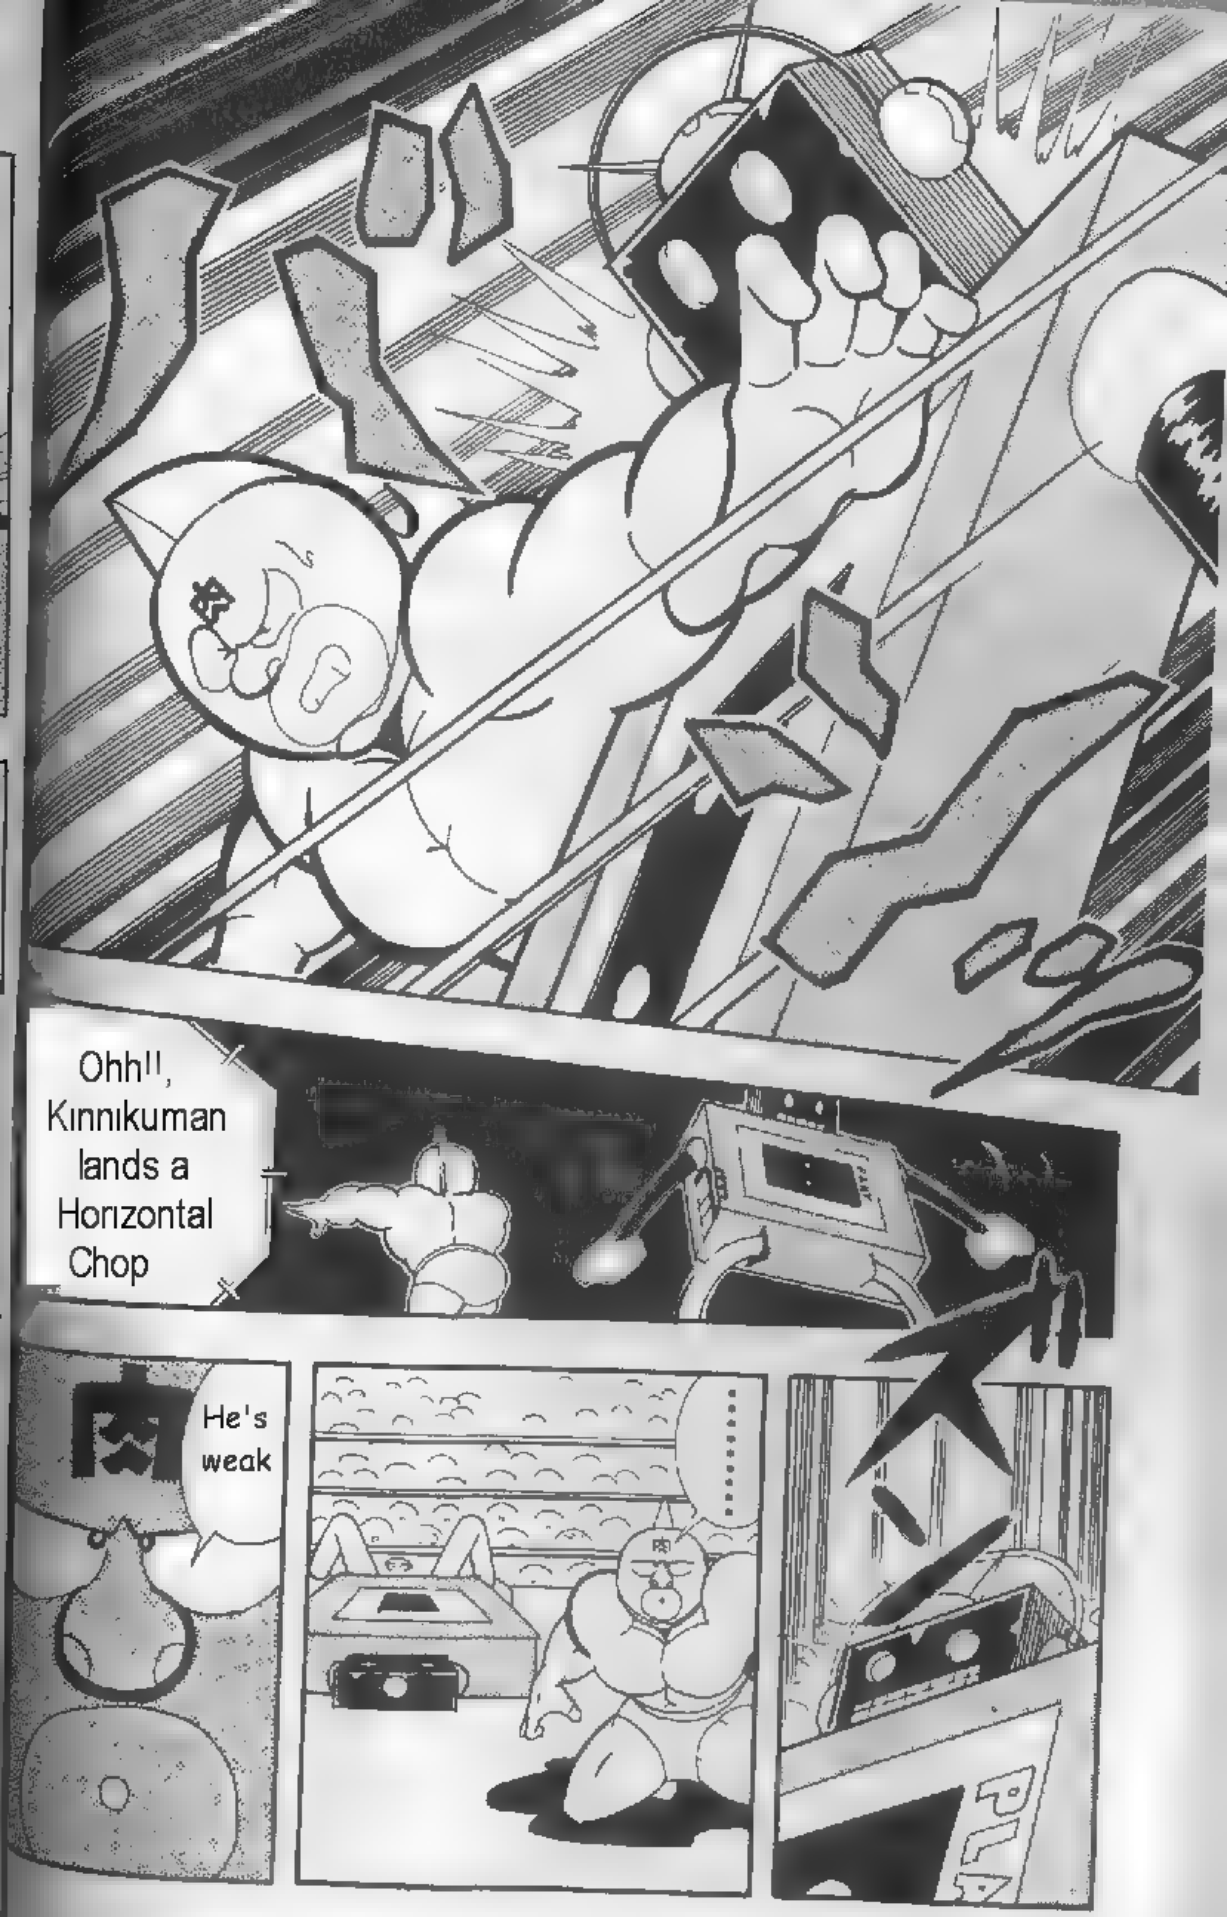
I don't want to have to listen.....



Ohh!!, Kinnikuman lands a Horizontal Chop
He's weak

Go, Suguru!!!
Hey everyone, this guy is a total Amature Chyo-jin.
I'm about to get your upper body back from this guy.
Hold on Meat.
Take that!!
And now Kinnikuman has got him in a Boston Crab Hold

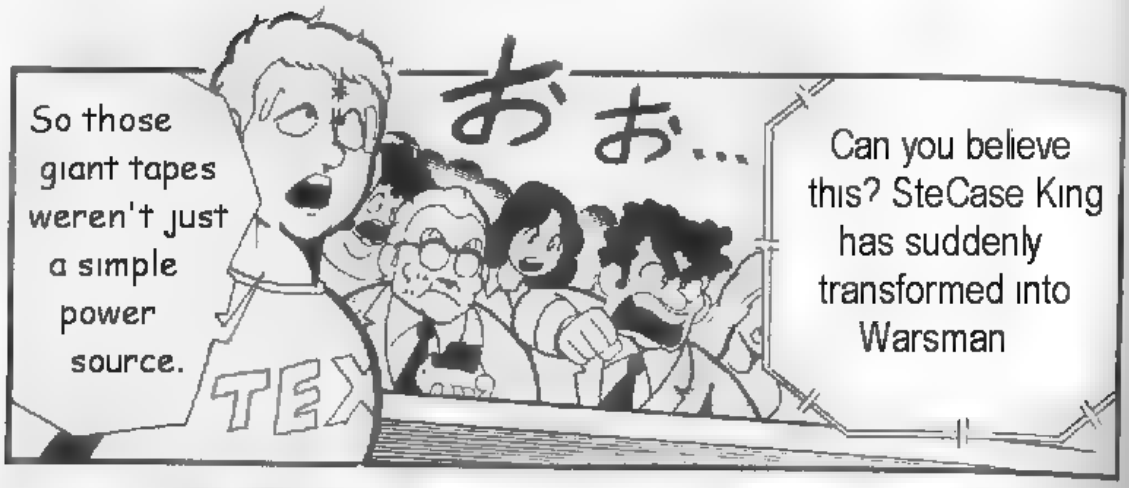
KINNIK
Hey, copying Warsman's deep breathing isn't going to make you any stronger.
Haaa... Haaa...

Are you blind!? How could this fat pig be Warsman?
SteCase King isn't just copying Warsman.
He has become the real Warsman.
Eh?
Warsman's Parro Special!!
What's this?
That moves is...

Of all the Chyo-jins in the world, only Warsman is suppose to be able to do this technique
..the person who is inflicting pain to Kinnikuman in the ring..
So then..
..is Warsman. Though the body is different, the technique and mannerisms are exactly like Warsman.
It's as if SteCase King is controlling the real Warsman.
PLAY
What? That's impossible...



So those giant tapes weren't just a simple power source.
おお…
Can you believe this? SteCase King has suddenly transformed into Warsman

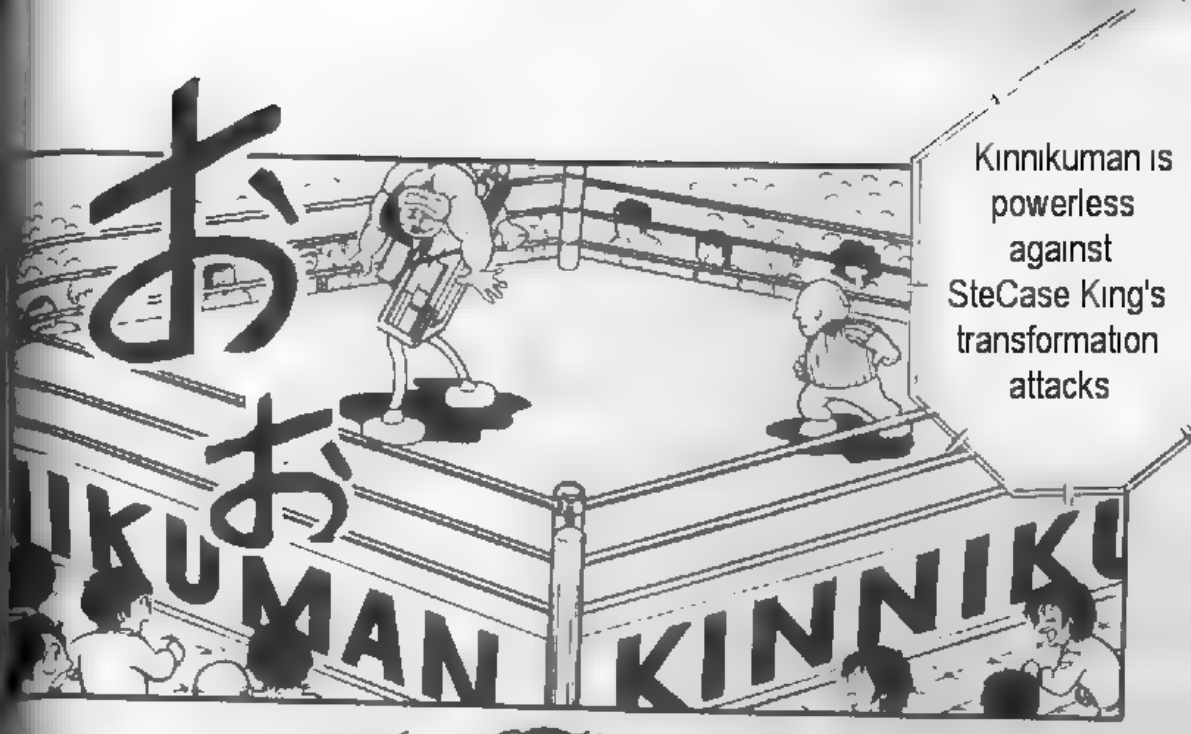
Not Robin's special technique Tower Bridge...



Kinnikuman is powerless against SteCase King's transformation attacks

So by putting those tapes into his body, he can transform into Ramenman and Warsman.

I get it. The world's strongest Chyojin's techniques and movements have been recorded on to those giant tapes.

That's correct, Terryman.

So Kinnikuman must fight against over 1,000 of the strongest Chyo-jins all by himself.

SteCase King is sometimes called "The Chyo-jin with a 1,000 Bodies." It is said that he has over a thousand Chyo-jin tapes on file.

Kinnikuman, I've only shown you 3 out of 1,000 and you have fallen asleep?
Hihihi
What!? 1 vs 1,000?
This should wake you up.
Yes!
Ayaa!!!

Ohh!! Kinnikuman has gotten up
Shut up with the big talk!! Without your Tapes you are nothing but a weakling.

You're right, I think I might be able to survive this amount of sound.
OK. Take this 1,000,000 phones!!!
Don't go easy on him SteCase King, increase the volume.
KINN

SteCase King's incredibly powerful sounds are now begining to damage the spectator's ears

The mask protects effectively only up to 100,000 phones.

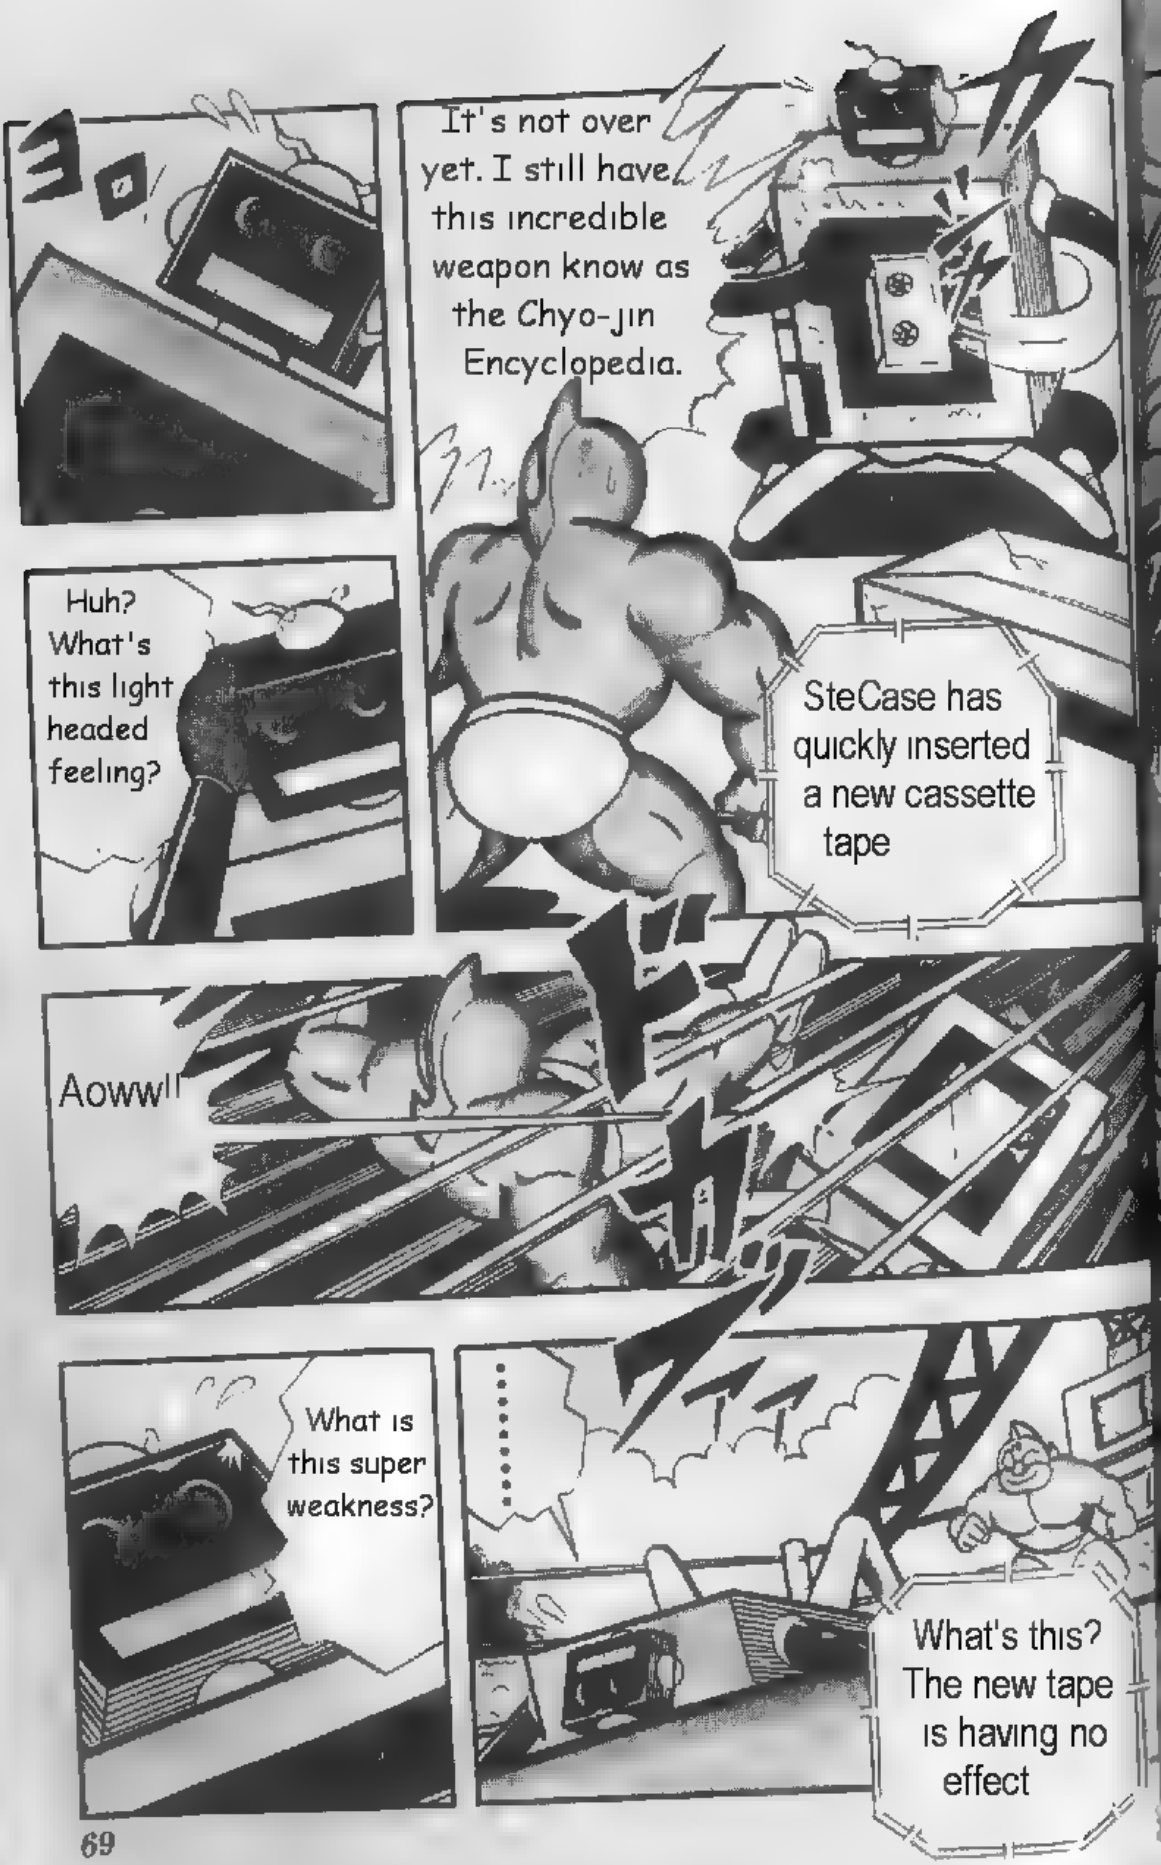
KINNIKUMAN



It's not over yet. I still have this incredible weapon know as the Chyo-jin Encyclopedia.
Huh? What's this light headed feeling?
SteCase has quickly inserted a new cassette tape
Aoww!!
What is this super weakness?
What's this? The new tape is having no effect

Crap!
Hey, your opponent is over here.
Hahaha, for some reason I'm starting to feel a closeness to you.
Now, why am I running away?
..I put in?
Who the hell's tape have...
Huh!? This is Kinnikuman's tape...from 3 years ago!!!
Kinnikuman
3 Years Ago
Yikes!
Caught you!

KINNIKU BUSTER!!!
He did it!!

OHHH!! Kinnikuman has impressively defeated the first Devil Chyo-jin Stecase King, and retrieved Meat's upper body
MEAT
In terms of ability, SteCase King is the weakest one of us, yet look at all the damage he did to Kinnikuman. I'd say he did a pretty good job
Don't be so hard on him, Black Hole.
What an idiot, the Kinnikuman of 3 years ago could never beat the Kinnikuman of today
What!!?

These are terrible injuries.
Suguru!!
slam
Doctor, call a doctor!!
DR.
This will take 10 days to heal.
10 days?
And Meat's body will never return to normal.
So, defeating the 6 of us over the next 9 days would be impossible.
Hehe, so that means Kinnikuman can't enter the ring in the next 10 days.

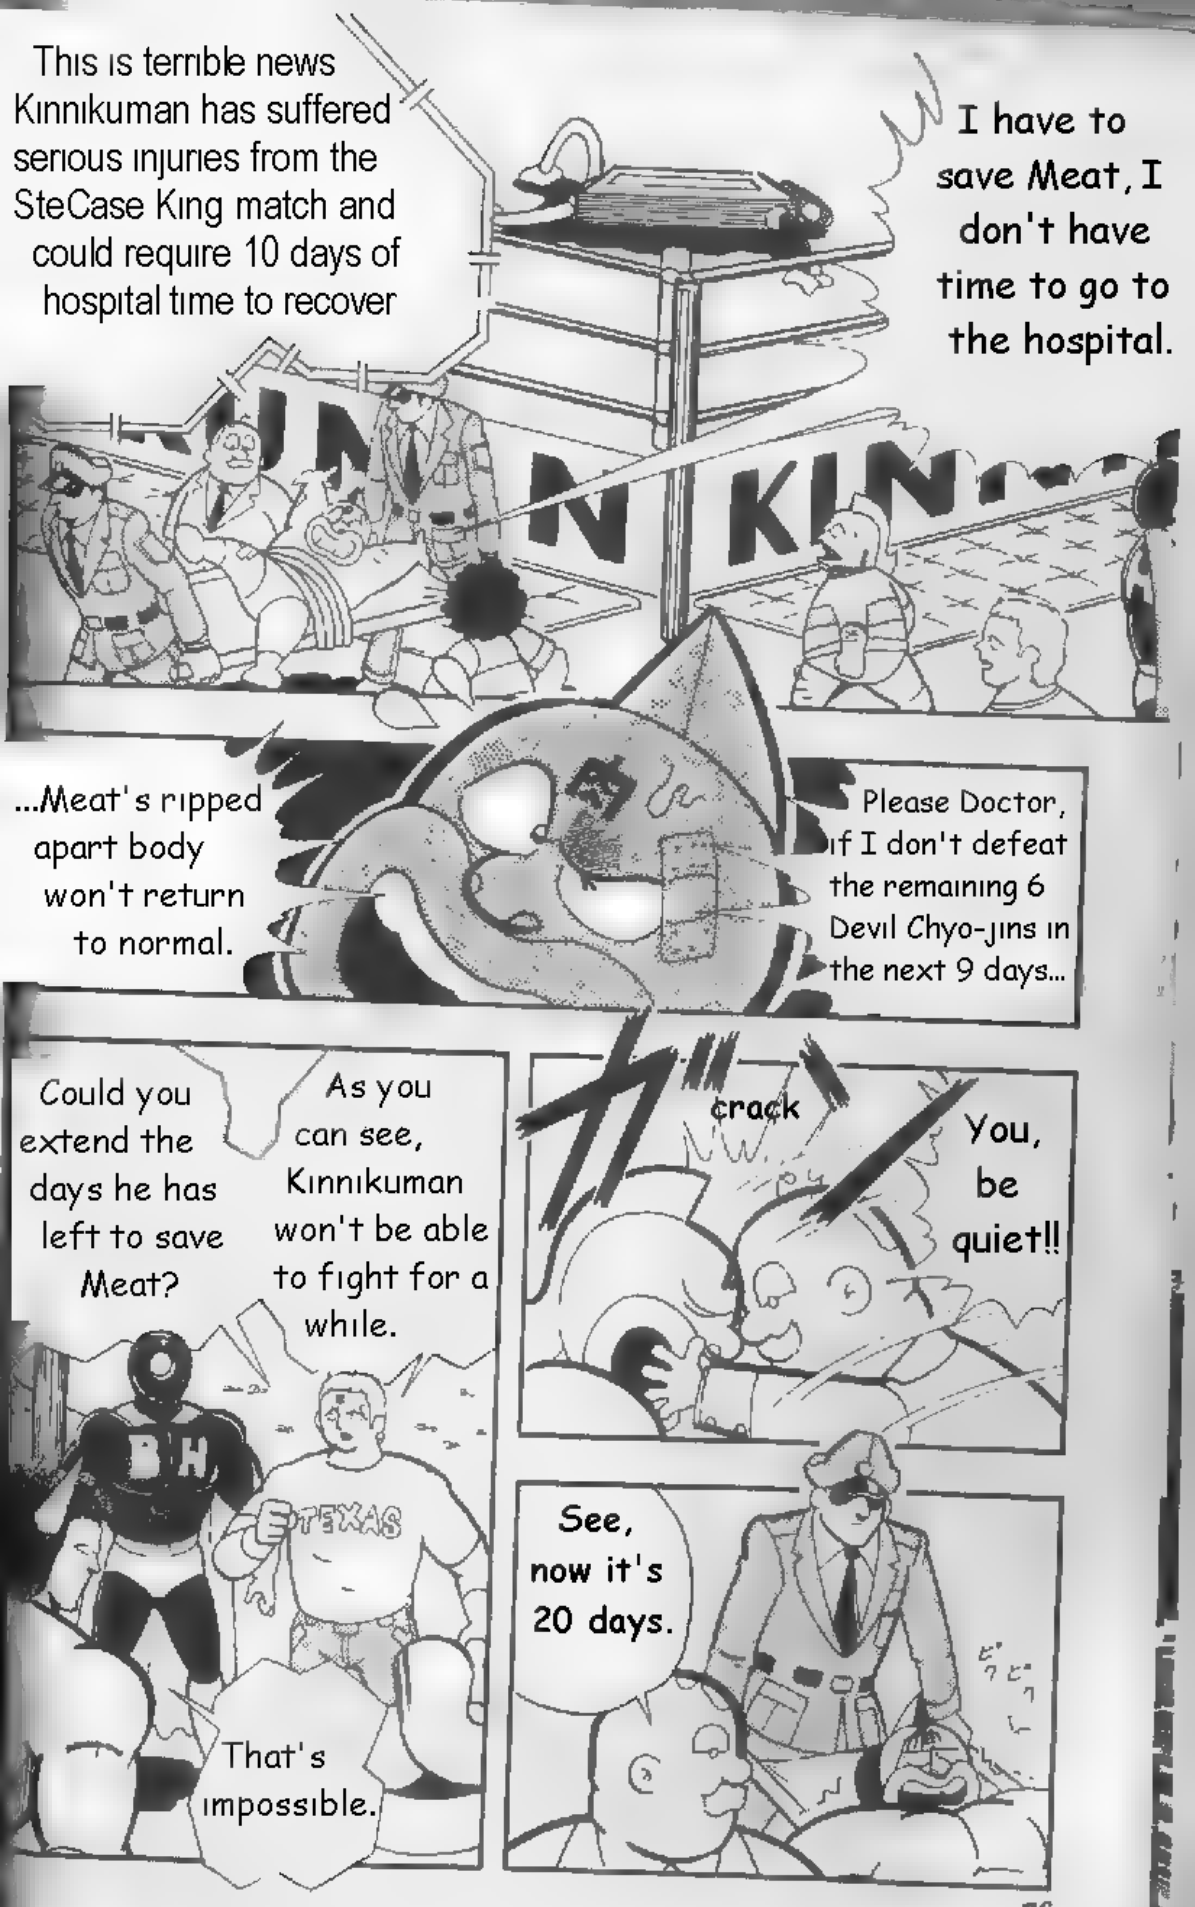
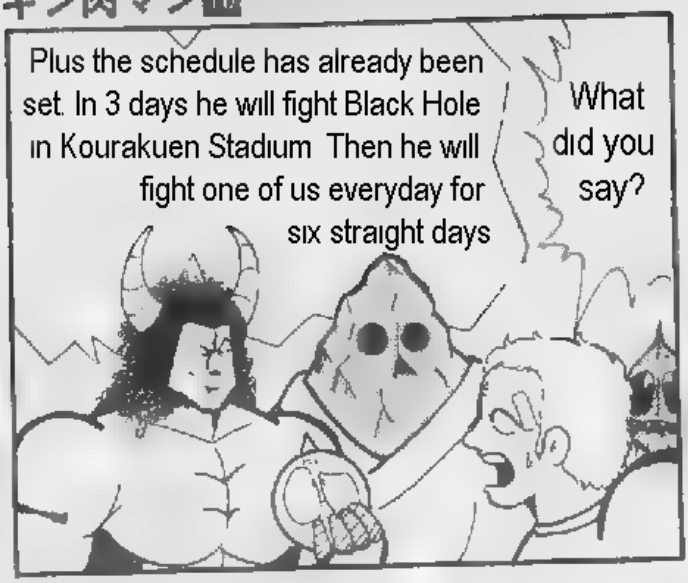
The Return of Kinnikuman



This is terrible news Kinnikuman has suffered serious injuries from the SteCase King match and could require 10 days of hospital time to recover
I have to save Meat, I don't have time to go to the hospital.
...Meat's ripped apart body won't return to normal.
Please Doctor, if I don't defeat the remaining 6 Devil Chyo-jins in the next 9 days...
Could you extend the days he has left to save Meat?
As you can see, Kinnikuman won't be able to fight for a while.
That's impossible.
crack
You, be quiet!!
See, now it's 20 days.



Plus the schedule has already been set. In 3 days he will fight Black Hole in Kourakuen Stadium Then he will fight one of us everyday for six straight days
What did you say?

the body will never return to nowmal
It's set so that if the 10 days pass

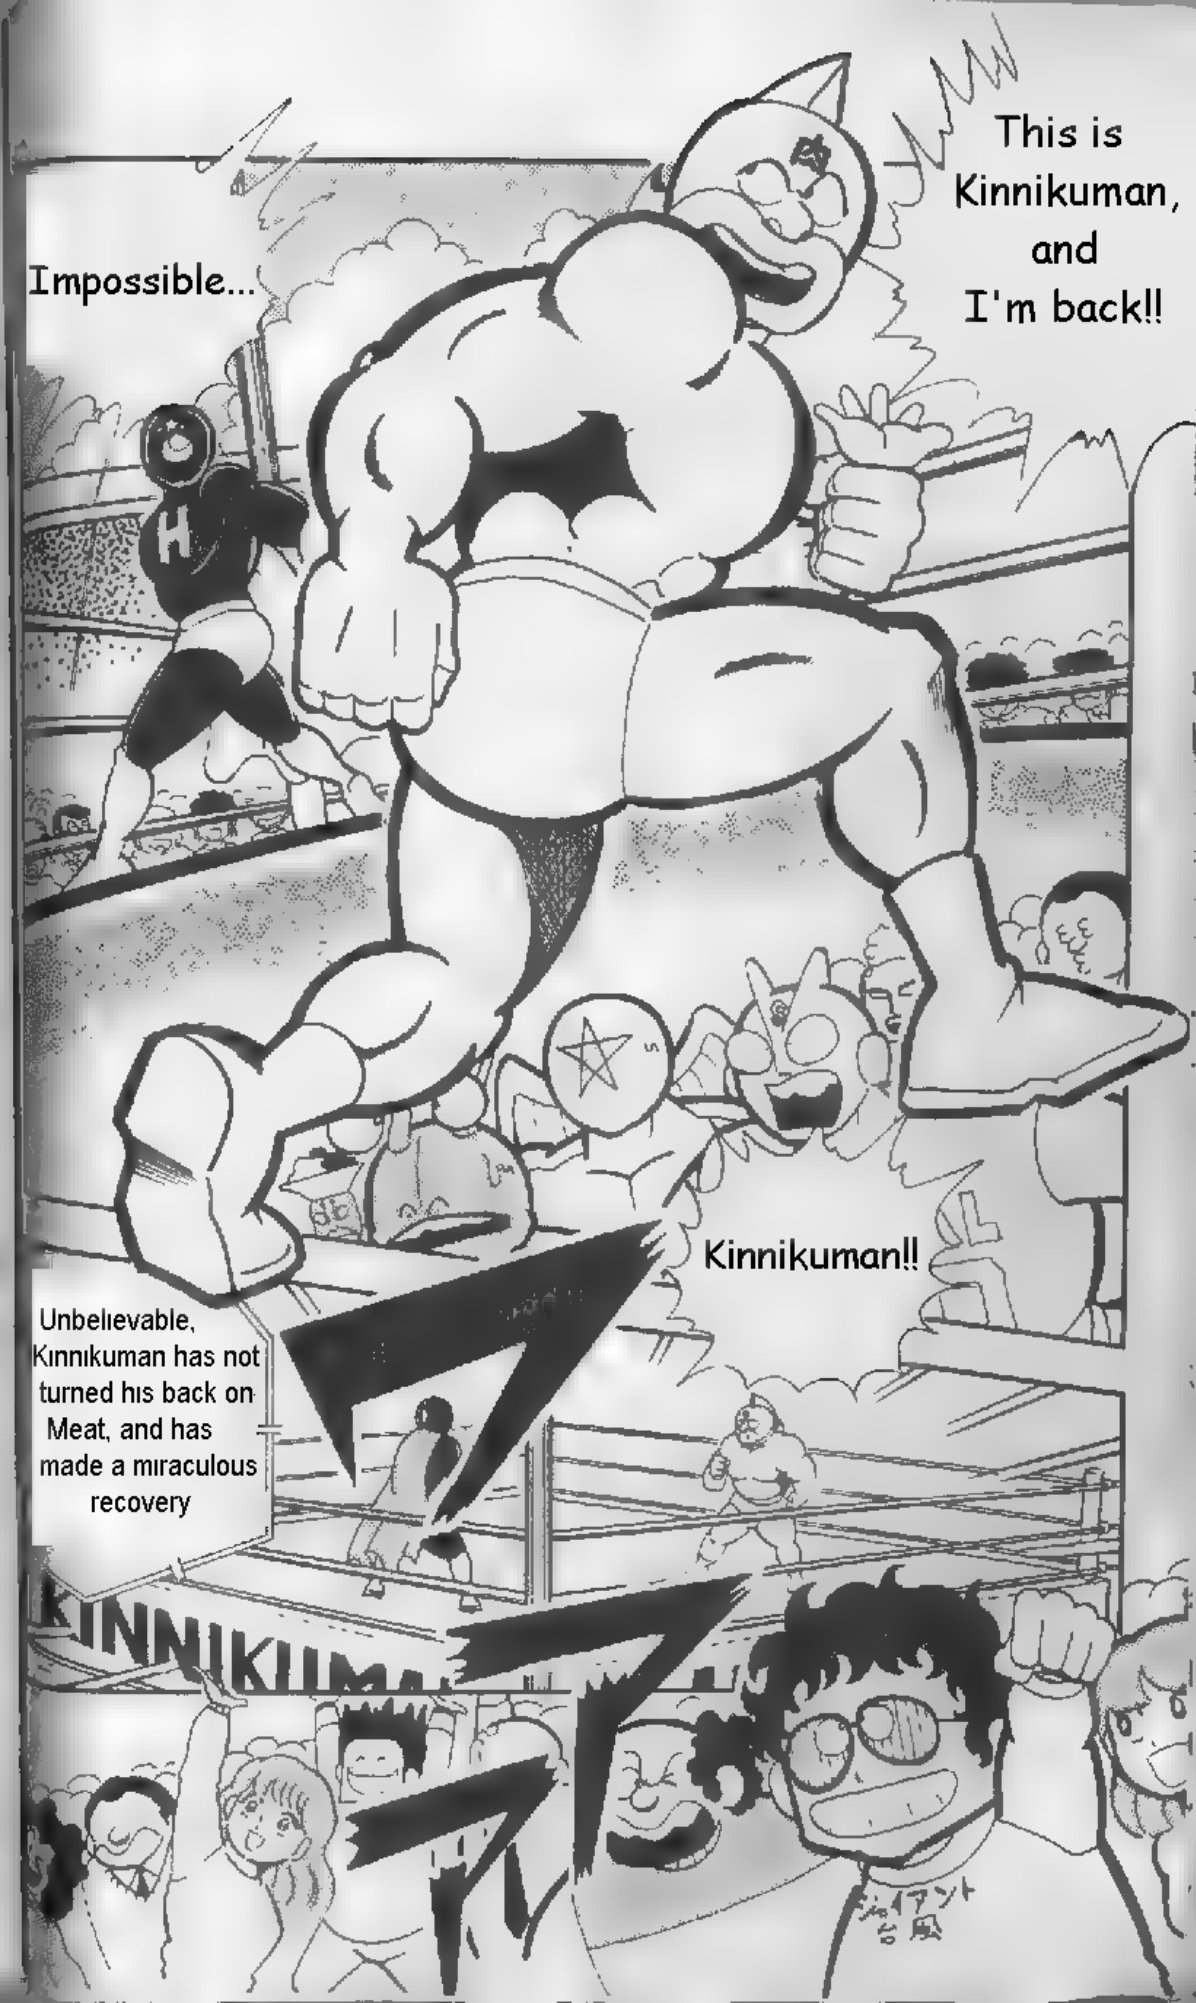
Kinnikuman

Make sure he's healed before then Hehe
So you're saying he can take it easy until the Black Hole match in 3 days

But the damage sustained in the SteCase King match were worse than initially believed Everyone hoped for a miraculous recovery

We are ringside here at Kourakuen Stadium with only 6 days remaining to save Meat.
KINNIKUMAN
KINNIKUMAN
The Devil Chyo-jin's 2nd challenger, Black Hole, has already made is way into the ring
The Champion, Kinnikuman, has not arrived yet. It appears that a miraculous recovery in only 3 days was impossible
Well, it appears that Kinnikuman has forfeited.
Damn, if I could, I'd like to take his place and enter the ring.

He has turned his back on his friend Meat and we declare this match as a forfeit on his part.
Kinnikuman has failed to show up.
As called on by the rules, I will destroy Meat's body.
Oh no, Meat's cute hand is
Wait!!
bang
Who are you?



This is Kinnikuman, and I'm back!!
Impossible...
Kinnikuman!!
Unbelievable, Kinnikuman has not turned his back on Meat, and has made a miraculous recovery

Whoa
Take that!!
!
Well, I'm pretty good with both. Hehe....
I thought that you were right-handed.
Wow, Kinnikuman blocked the punch
He stopped it with his left....
Plus his body isn't muscular enough.

Hey everyone, this isn't Kinnikuman. This is a dirty impostor!!!

Hey
Kinnikuman's mask has been turned around and he's getting pummeled.

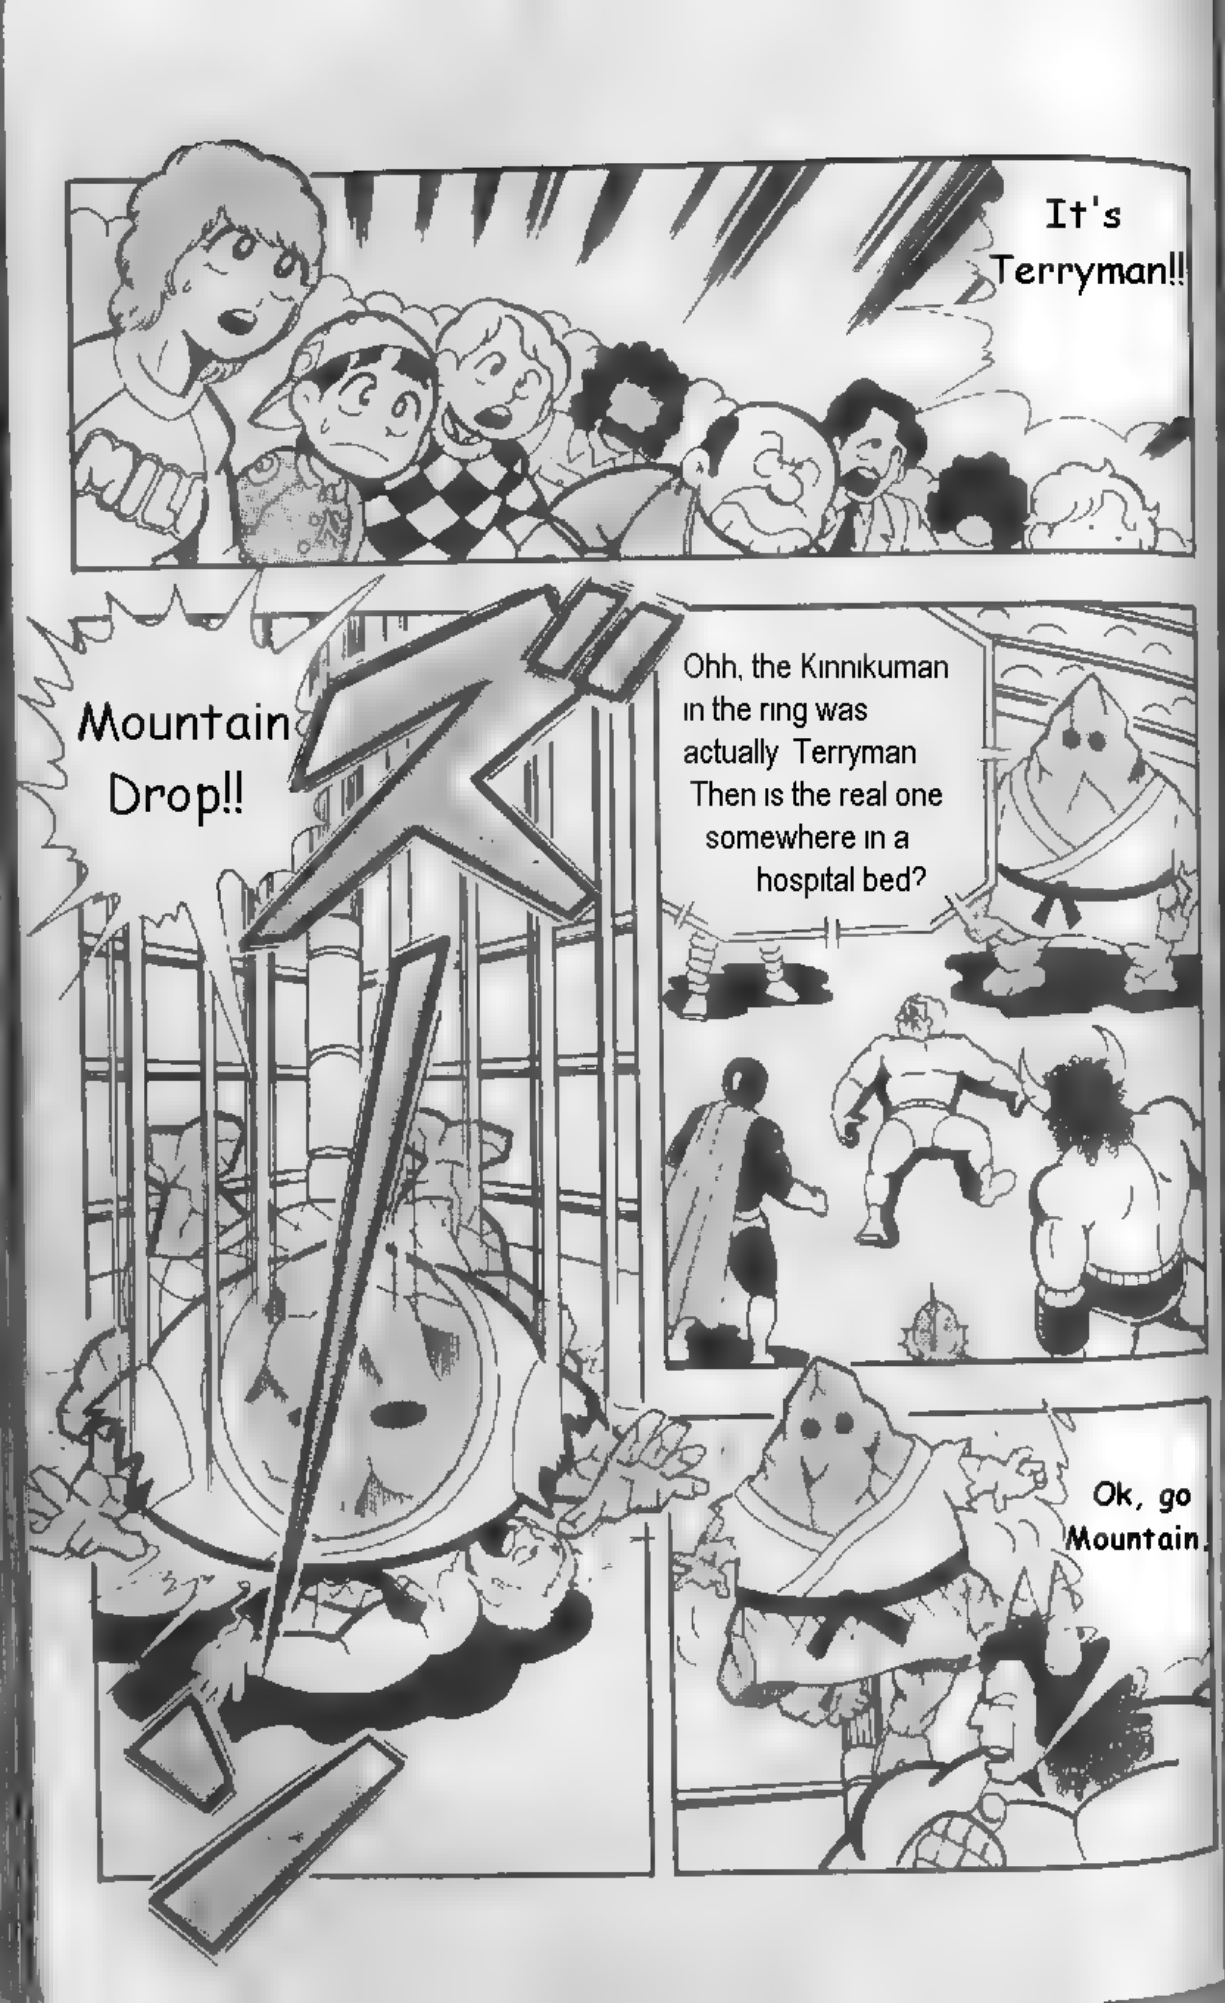
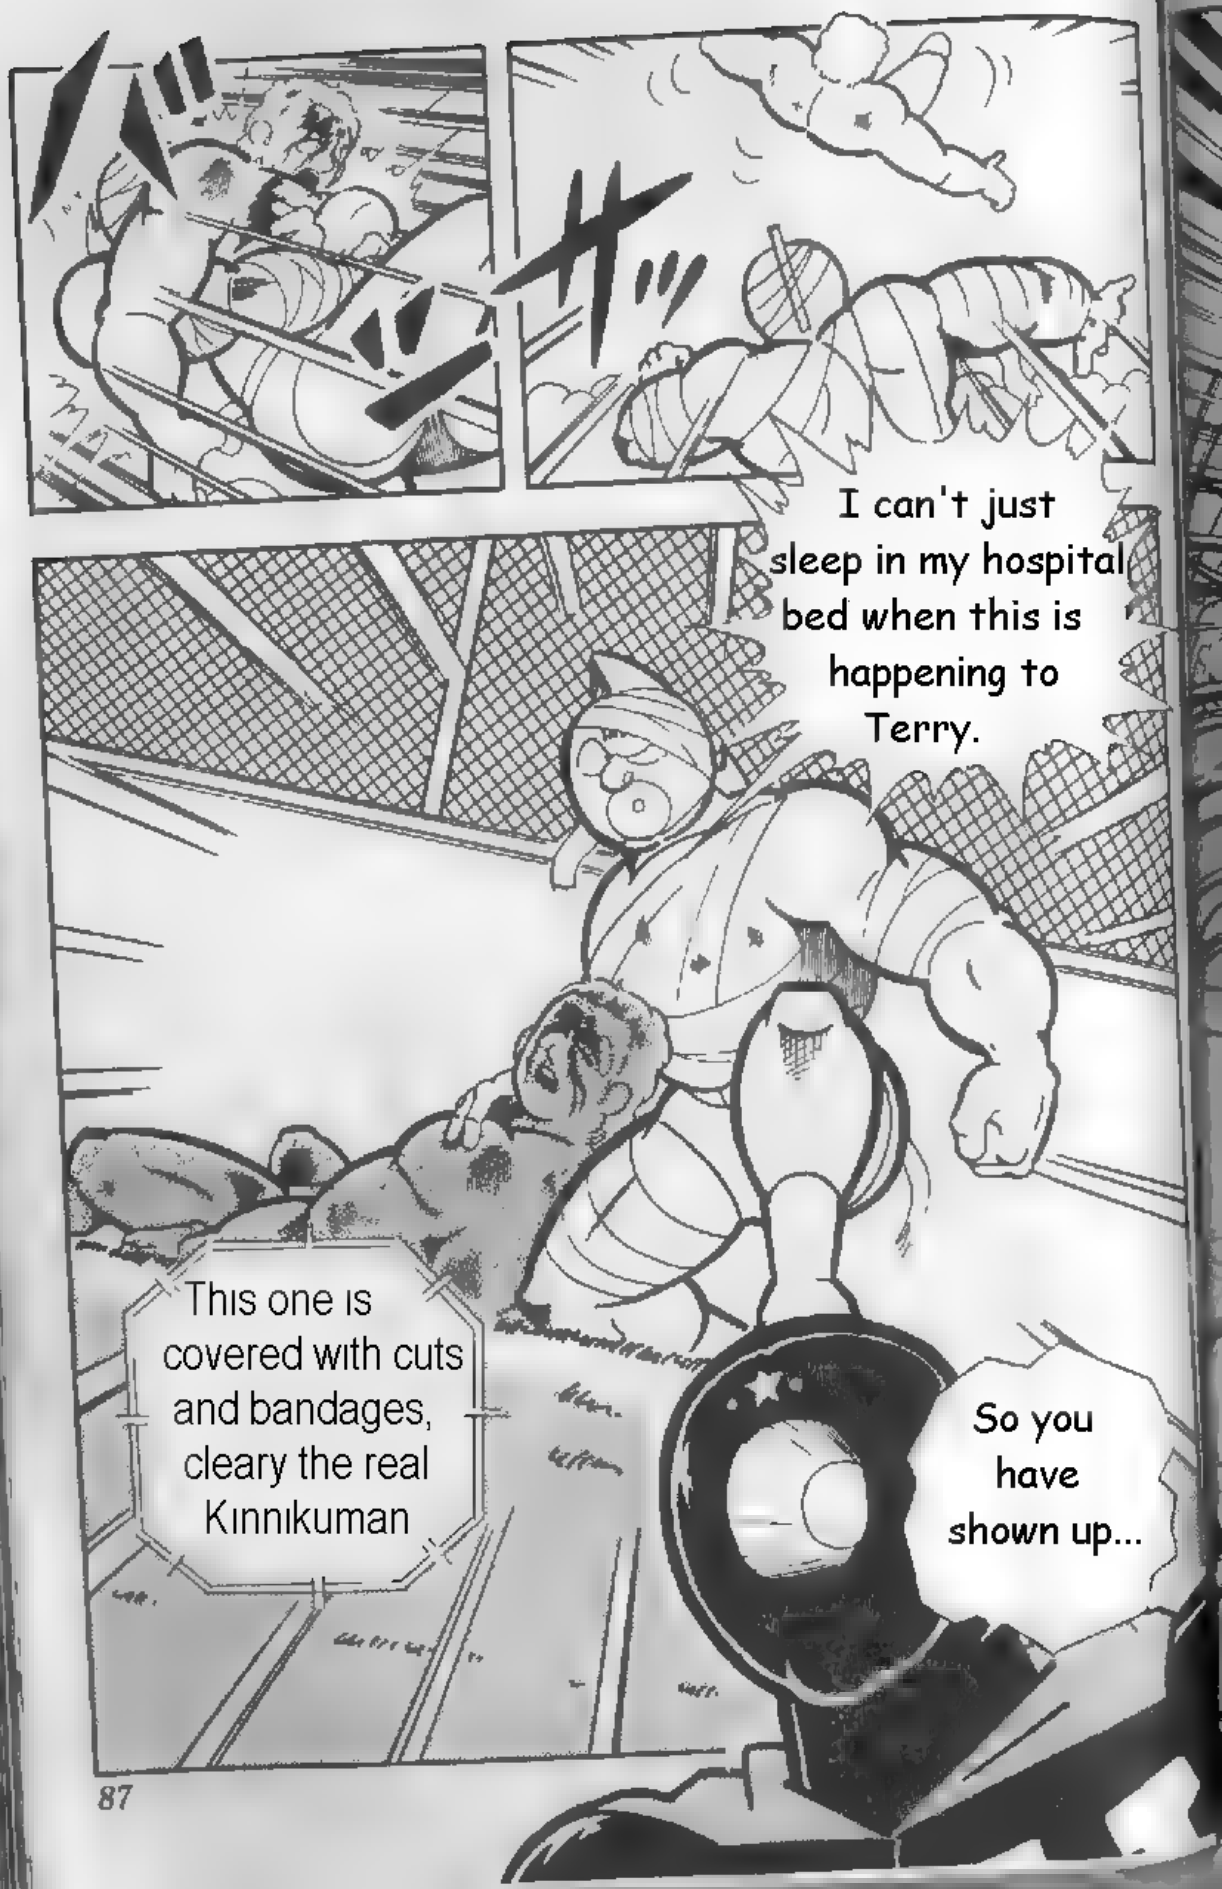
And now...

And he lands bleeding profusely.
Now let's see who's under here.
This is....



It's Terryman!!
Mountain Drop!!
Ohh, the Kinnikuman in the ring was actually Terryman Then is the real one somewhere in a hospital bed?
Ok, go Mountain.

Hey there, little trouble maker
..go home to your mother!!!
He's headed straight for that fence
Terry!!



I can't just sleep in my hospital bed when this is happening to Terry.
This one is covered with cuts and bandages, cleary the real Kinnikuman

A clear dome has suddenly fallen from the sky!!

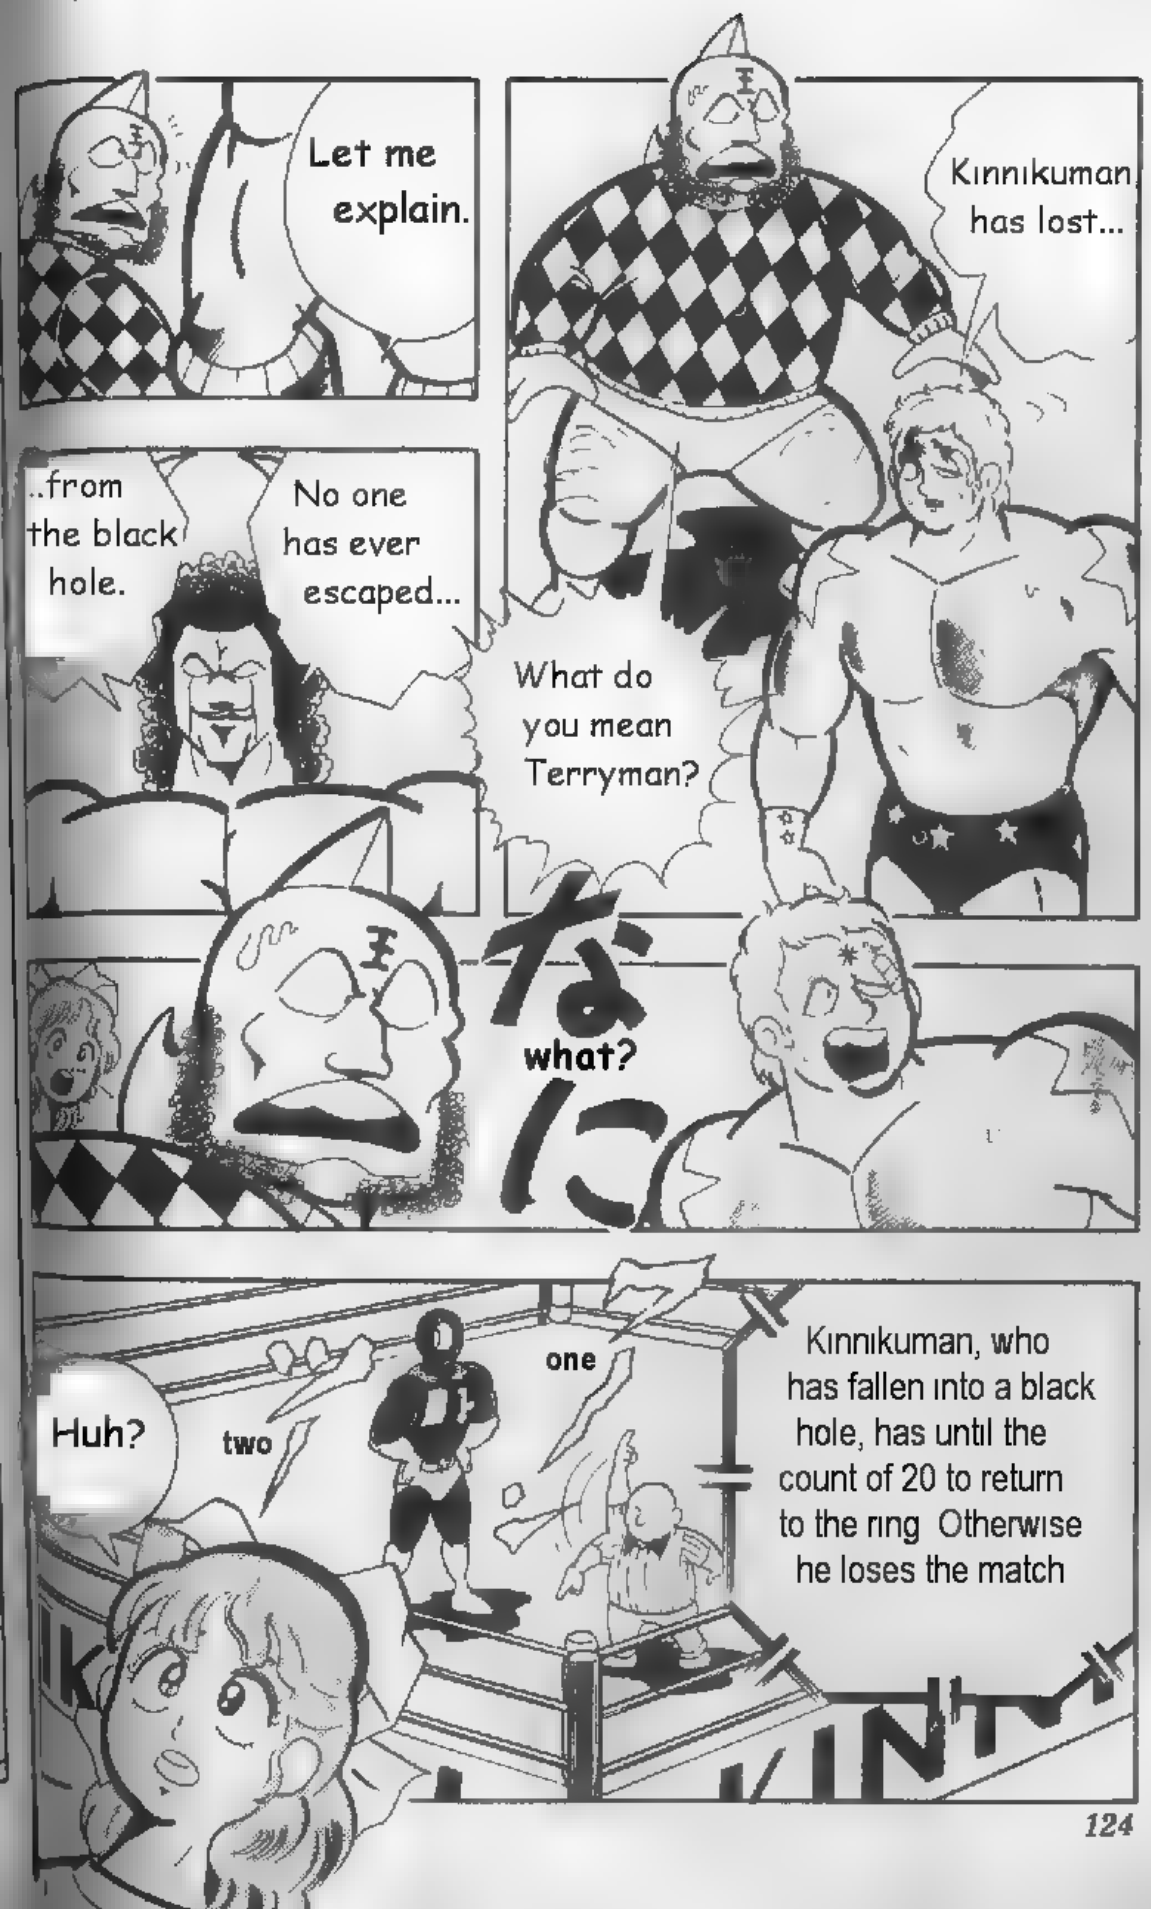
Kinnikuman is drifting through space right now....
Where has Suguru gone to?
A black hole is a phenomenon that sucks all things into itself with incredible strength, right?
Exactly. My face is an entrance to forth dimensional space.



Let me explain.
Kinnikuman has lost...
..from the black hole.
No one has ever escaped...
What do you mean Terryman?
な
what?
に
Huh?
two
one
Kinnikuman, who has fallen into a black hole, has until the count of 20 to return to the ring Otherwise he loses the match

There's a cut in the sky...
That cut...
Suguru probably created it.
I get it!! This forth dimensional space was artificially created by Black Hole.
So when Black Hole's body is damaged, it also damages the space.
Kinnikuman is on the other side of that sky.

Uhhh... What is this?
Wait a second. There is one way....
...for Kinnikuman to escape the Black Hole.
What "type" of force?
Kinnikuman has to apply a type of force from inside of the Black Hole...
What is that?
It would have to be a white hole.
..and open up that cut to size he can escape out of.

Sixteen...
Please God, protect Lord Suguru.
No good, I can't escape out of a opening this size.
What the heck is this opening?
All we can do now is believe in Kinnikuman's fighting spirit.
Su.. Suguru...
Ready... Aim...
Ok, this is my only chance.

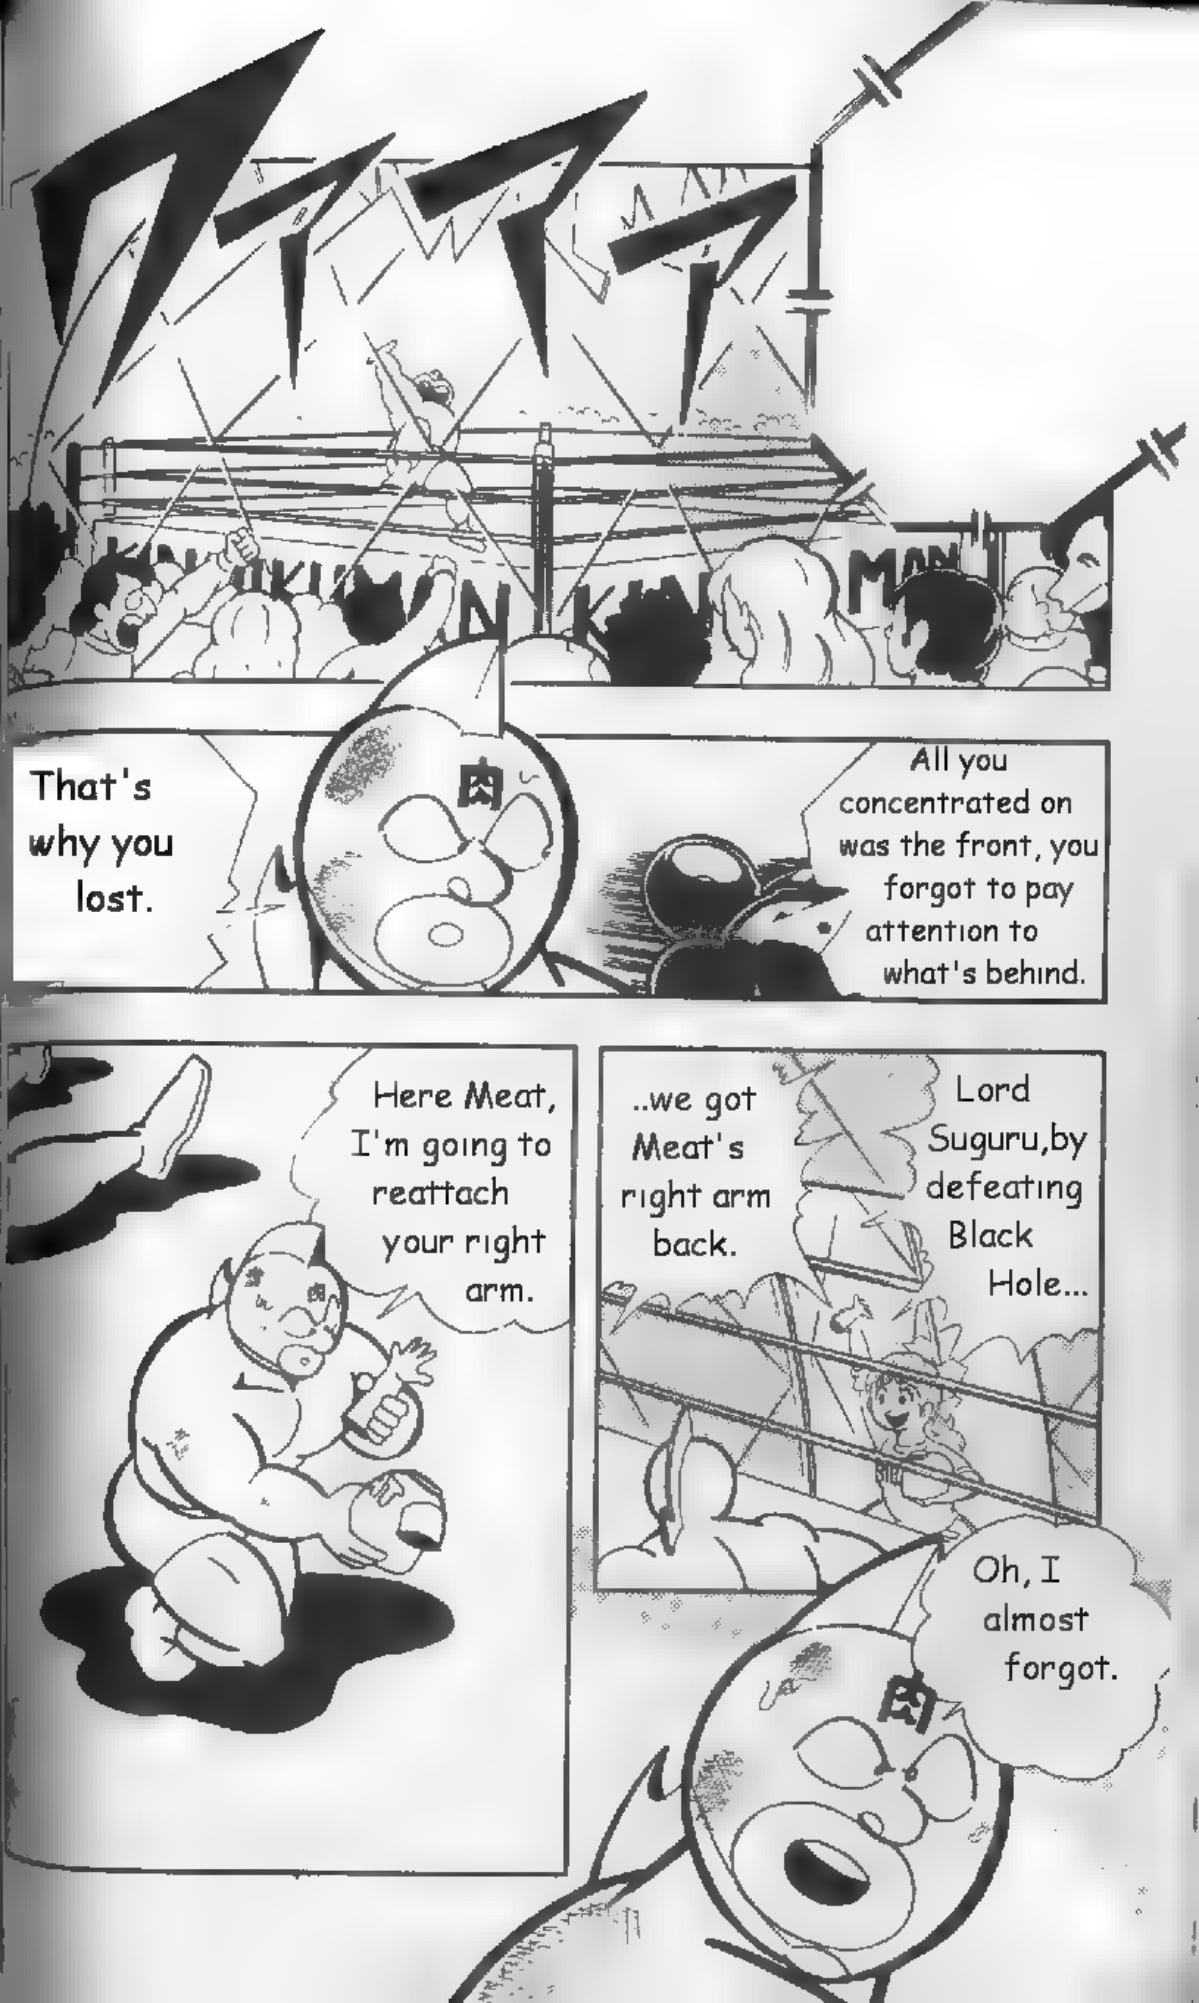
If a black hole sucks everything in, then there must be...



That's why you lost.
All you concentrated on was the front, you forgot to pay attention to what's behind.
Here Meat, I'm going to reattach your right arm.
..we got Meat's right arm back.
Lord Suguru,by defeating Black Hole...
Oh, I almost forgot.

Suguru!!
OHHH!! Has the consecutive matches with the Devil Chyo-jins extinguished Kinnikuman's power?!!!
This is why I said he shouldn't fight.
No matter what the condition of Kinnikuman's body, the matches will continue
If he doesn't defeat the 5 of us in the next 5 days, he loses his Championship belt and Meat's body won't return to normal

Mister Kamen, could you read our fortunes in defeating Kinnikuman by reading the stars?
Buffaloman, he's a cripple, we don't need a fortune teller to know we will win
Don't underestimate him, he struggled against Ste-Case and Black Hole, but was able to win in the end
OK, I will begin.
Hayaa!!

Look, that star represents Kinnikuman.
お
お
SUNNY

He's late...
I guess it was impossible to recover in time from those injuries
I am eternally invincible!!

Wow, what's going on here? The supposedly seriously injured Kinnikuman has made his entrance and he looks surprisingly healthy!!
Lord Suguru...

they are going to swallow you before you even start fighting
With this lifeless appearance you have right now
This shot will only block the pain, you won't be able to do more than stand in the ring
Don't worry, I have something good for this situation Bibinba, bring it

Kinnikuman is smiling What's going on?
